OR

Any equivalent examination 10+2, M.P. Board of Secondary Education/CBSE/Qualifying examination outside India recognized by Medical Council of India for admission to MBBS course.

16. HOW TO APPLY

The NRI candidates shall apply directly to the Head of the concerned Institution in the application form prescribed by the Institution. **Eligible Candidates may contact the Head of the Institution regarding their admission against NRI Seats. NRI candidates are not required to appear in AICET-2016.**

The screening of the applications shall be done at the institution level. The admissions shall be done on the basis of merit list prepared from the applications received. If the seats are not filled under NRI quota then such seats shall be filled as drop out / vacant seats as per para 15 (A) above.

Fees: The annual proposed fee for the NRI candidates will be as mentioned below:

S. No	Course	Annual Fees
1.	MBBS	US \$ 25000

17. SEATS AVAILABLE

The availability of College wise Seats for MBBS Course to be filled during Academic Session 2016-17 are given below:-

MEDICAL COLLEGES

S. No.	Name of the Institution	Course	Total No. Seats
1.	People's College of Medical Sciences & RC, Bhopal	MBBS	150
2.	L. N. Medical College & Research Centre, Bhopal	MBBS	150
3.	R.K.D.F Medical College Hospital & Research Centre, Bhopal*	MBBS	150
TOTAL			450

* **Subject to final approval by MCI/Govt. of India, New Delhi and Court(s)**

18. MODE OF SELECTION

On the basis of the marks obtained by candidates in the **AICET-2016** merit list will be prepared depending upon number of sanctioned seats. Remaining candidates up to a fixed number will be kept in the waiting list.

Merit criteria in case of candidates with equal marks

Merit order of candidates having secured equal total marks will be decided on the basis of marks obtained in individual subjects arranged in order of their importance as follows :

1st – Zoology	2nd – Botany
3rd – Chemistry	4th – Physics

There after the person elder in age will be preferred.

19. OPEN COUNSELLING FOR ALLOTMENT OF SEATS

- The allotment of seats shall be made to the candidates through open counselling on the basis of personal appearances. The counselling Committee will consist of:-
 - (i) All Members of Admission Committee or any one as per the decision of Madhya Pradesh Private Universities Regulatory Commission (MPPURC).
 - (ii) Nominee of MPPURC
 - (iii) All the Deans / Director of Medical Colleges and nominated members of APUMP.
 - (iv) Controller of Examinations.
- Candidates who have been allotted a seat in first counselling on merit basis, because of any reason could not join the allotted institution are also eligible to participate in second open counselling.
- The programme for counselling shall be advertised in the leading Newspapers of the State. Counselling programme shall also be available on website of the Association.
Separate call letters will not be sent.
- Candidates shall have to travel for the counselling at their own cost.
- Candidates shall not be allowed to enter the area specified for counselling without showing the **AICET-2016** Examination RANK CARD.

- The candidate without original documents as mentioned in **Para – 20 (A)** shall not be eligible for admission.
- The candidate shall wait for their turn in the order of merit. Candidates shall be called in small group of 10-20 for scrutiny i.e. verification of required original documents and if found eligible, shall further be permitted for the counselling where they shall exercise their option for allotment of any one of the available seats which shall be final and the same shall be allotted to them on the spot and the allotment letter shall be issued.
- If a Candidate due to any unavoidable circumstances does not remain present on the date and time fixed for him/her for scrutiny of the documents and counselling then such candidate, if he/she comes afterwards, shall be considered only at the stage, where the counselling is in progress irrespective of his merit. He shall be considered only if the counselling is going on, and allotment done before to other candidates on the basis of their merit shall remain unchanged.

Such candidates those who are absent or those who could not participate in the counselling due to incomplete documents shall be called in the next counseling, if seats still remain vacant.

- All original documents will be verified by the concerned college at the time of admission.
- Canvassing directly or indirectly for the allotment of seat would disqualify the candidate for admission. Influencing the staff by unfair means will lead to cancellation of allotted seat and such candidate will also face disqualification for appearance in the subsequent **AICET-2016**.
- Candidates selected for admission shall be subject to disciplinary rules of University/Institution/ Government and Management.
- A Candidate selected for any MBBS Course as per merit will not be allowed for change of college on mutual basis.
- The selection made by the Admission Committee as per procedure is final and will be binding on the candidate.
- Admission to the candidate will be given only after the candidate will deposit his/her all-relevant original certificates, documents alongwith the balance course fee through bank draft in favour of allotted college. Original certificates will be returned only after completion of internship.

20. Documents to be produced at time of counselling

1. Demand Draft of **Rs. 5,00,000/- (MBBS)** in favour of Association of Private Universities Madhya Pradesh payable at Bhopal as (Tuition fee).
2. Rank Card of **AICET – 2016**.
3. Photocopy of filled Application Form.
4. Proof of Identification.
5. Counselling fee of Rs 1000/- in cash.
6. GAP Certificate if any (affidavit).

Note: Because of any reasons candidates who are unable to submit Demand Draft at the time of counselling, will have to submit an undertaking that they will submit the required Demand Draft in Association Office /Institution within 3 days after date of counselling.

20. (A). Documents to be submitted at the time of Admission at respective college

1. Original marksheet of qualifying examination.
2. Migration certificate (except MP Board Bhopal) from the University & Board.

3. Letter of allotment issued by the Admission Committee/ **AICET - 2016** Counselling Committee.
4. Six (6) recent passport size photographs.
5. Statement of marks obtained in 10+2 or equivalent examination.
6. Passing certificate of 10+2 or equivalent examination.
7. Statement of marks / Rank Card obtained in AICET-2016.
8. Transfer Certificate/School leaving Certificate from last institution attended.
9. Passing Certificate of High School or equivalent examination (proof of age).
10. GAP Certificate if any (affidavit).
11. Medical Fitness certificate.
12. Declaration form.
13. Remaining tuition fee, caution money and other college fees .
14. Bond/Bank guarantee if required by concerned college.

21. DISQUALIFICATION FOR ADMISSION

- Any candidate himself or his/her authorized proxy if found obstructing the admission process or creating nuisance, the candidate shall be liable for disqualification from the admission process. The decision taken by the College Authority shall be final and binding.
- Not-with-standing anything stated in the Rules here-in-above, a candidate who was allotted a seat in previous year(s) and who vacate/abandon it after availing the said seat, has completed such a period of course which would result into lapse of the said seat, will not be eligible for admission unless he produces a No Objection Certificate from the college whose seat has been lapsed due to the candidate concerned.

22. FEE FOR COURSES

Fee Structure:

In accordance with the directions of Hon'ble Supreme Court of India the fees of Private Medical Colleges shall be charged as decided by the **Madhya Pradesh Private Universities Regulatory Commission**.

S No.	Name of the Institution	Course	Tuition Fees for 2016-17
1.	People's College of Medical Sciences & RC, Bhopal	MBBS	**
2.	L. N. Medical College & Research Centre, Bhopal	MBBS	**
3.	R.K.D.F Medical College Hospital & Research Centre, Bhopal	MBBS	**

Note :-

** The fee amount shall be charged by the respective colleges for the Academic Session 2016-17 as approved by University and Regulatory body. However, the fee if revised by the **Madhya Pradesh Private Universities Regulatory Commission** constituted by the Government of Madhya Pradesh, shall be binding and accordingly payable/adjustable by the candidate(s)/ college(s).

- The Committee may fix the different fees for different institution as per the guide lines of Hon'ble Supreme Court.
- **Payment of Fee:** The candidate shall be admitted on payment of one year fee at the time of admission at respective college. Out of which amount of Rs. 5.00 lakh for MBBS Course will be deposited during counselling. If the Institution/college feels that any particular student(s) may leave in midstream then the college may require the candidate either to pay fee for full course and or submit Bond/Bank guarantee of the fee for whole course in evidence to the law laid by the Hon'ble Apex Court in case of Islamic Academy of Education.

23. RANK CARD

- The candidate will receive the Rank Card by post/[Available on Website](#) after declaration of result.
- The Rank Card will contain marks obtained by the candidate and his /her merit ranking.
- **Duplicate Rank Card:** In case of loss of Original **AICET 2016** Rank Card, a duplicate Rank Card can be obtained on making an application on plain paper to the Controller, APUMP, alongwith a Demand Draft of **Rs. 1000/-** in favour of **Association of Private Universities Madhya Pradesh** payable at Bhopal or in cash.

24. ADMISSION

Consequent upon a candidate allotment for a course and college he / she is required to report on the notified date and time to the Dean / Principal of the college concerned.

25. CONDUCT AND DISCIPLINE

The student while studying in the MBBS course, if found indulging in anti national activities, unlawful activities or ragging in any form, contrary to the provisions of Act and Law and Law enforced by Government, will be liable to be expelled from the college by the Dean/Principal of the College.

- Failure of the candidate in taking full and correct statements in the application form and/ or suppression of any information is liable for disqualification of the candidate, even at later date. Such a candidate will be debarred from the entire selection process and pursuing the course of studies.
- It is the responsibility of every candidate to submit proper documents. Any attempt to submit documents which are not genuine, will lead to cancellation of the admission of the candidate, forfeiture of the fees, deposits and expulsion of the candidate from the college by the Admission Committee or his authorized official. The name of such candidate/s shall be deleted from the Merit List.
- Pursuant to the orders in W.P. (Civil) No. 615 of 1999, Hon'ble Supreme Court of India has directed the Department of Human Resources and Development, Govt. of India, to take all necessary steps to curb the menace of ragging and take severe action against the students involved in such activities. Students to take serious note of it.
- As per the provisions in "Madhya Pradesh Prohibition Ragging Act of 1999", students indulging in ragging can be punished under the Act resulting in suspension, expulsion from the college and imprisonment.
- Student failing to clear MBBS course in the stipulated time fixed by MCI and continuing thereafter shall be asked to pay proportionate fee for the remaining period of the course.
- Any issue not dealt herein above will be dealt with, when arising fully and finally by the Admission Committee.

26. JURISDICTION

In case of any legal dispute, the jurisdiction shall be limited to High Court of Madhya Pradesh only.

27. IMPORTANT INSTRUCTIONS

1. The candidates are advised before filling up the form, to ensure that they fulfill all the eligibility and qualifying conditions with respect to age, qualification etc. for admission to the course applied for.
2. The candidates are not required to attach/enclose any documents with the application form. They shall be required to produce the same at the time of counselling/Admission.

 - f) Threatening any of the officials connected with the conduct of the examination or threatening any of the candidates;
 - g) Using or attempting to use any other undesirable method or means in connection with the examination.
 - h) Manipulation & fabrication of online documents viz. admit card.
 - i) Forceful entry in Examination Hall with mala fide intentions.
 - j) Affixing of fabricated photograph on the admit card.

PUNISHMENT FOR USING UNFAIR PRACTICE

If a candidate is found to have indulged in any of the above practices before, during or after the course of examination, the candidate shall be deemed to have used unfair practices at examination and marked as UNFAIR PRACTICE. Such candidates would be prohibited from taking this examination permanently in future and shall also be liable for criminal action and /or any other action as deem fit by the exam board.

How to Answer the Question and Submit Test?

- i. The candidates will be seated in front of their respective allocated seats fifteen minutes before the test and each candidate will be provided with a unique access code before the commencement of the test.
- ii. An "Online Instruction page" will be displayed to the candidates on their monitors after submission of the unique code (A monitor is a visual display for computers.)
- iii. The candidates are advised to read the instructions before the commencement of the test.
- iv. The candidates will be asked to start the test at a given time.
- v. There will be four options to each question and the candidates will be able to click any one option before moving to the next question.

- vi. The candidates can change their options as many times as they want before moving to the next question, however once the candidate has moved to the next question, they cannot change the already answered question.
- vii. Candidates can choose to skip a question and move to the next question and come back later to respond the un-attempted questions.
- viii. Candidates can only choose to Submit test only when they have reached to the last question of the test.
- ix. Only on reaching the last question, the "End Test" button will appear on the monitor/screen.
- x. On Clicking "End Test" button, the candidates will be able to submit the test.
- xi. There will be a "One Minute Left" alert on the Candidates' monitor to apprise them to submit the test within the next 60 seconds.
- xii. There will be a timer on the candidate's monitor to apprise the candidate of time left for the completion of the exam.
- xiii. The candidates must ensure that they complete the test within the allocated time frame of 180 minutes otherwise the test will be auto-submitted (It will be submitted automatically by the computer) irrespective of the number of questions being answered by the candidate.

AICET - 2016
SYLLABUS**SUBJECT: PHYSICS**

- Units and dimensions, Dimensional analysis, S. 1. Units, motion in two dimensions Cases of uniform velocity and uniform acceleration, General relation among position and velocity. Uniform circular motion. Force and inertia. Newton's Laws of motions. Conservation of momentum and energy. Static and kinetic friction. Work energy and power, Elastic collisions, Potential energy, gravitational potential energy and its angular conversion to kinetic energy. Potential energy of a spring Rigid body rotation and conservation of its moment. Moment of inertia, theorems of parallel and perpendicular axis. (Moment of inertia of uniform ring, disc thin rod and cylinder only).
- Acceleration due to gravity and its variation, Universal law of gravitation, geostationary satellites, escape velocity.
- Hooke's law, Young's modulus, shear and bulk modulus, surface energy and surface tension, kinetic theory of gases, gas laws, kinetic energy and temperature.
- Specific heats at constant volume and constant pressure. Mechanical equivalent of heat, isothermal and adiabatic processes.
- Heat conduction in one dimension, convection and radiation. Stefan's law and Newton's law of cooling periodic motion, Simple harmonic motion, Oscillations due to spring wave motion principle of superposition, Progressive and stationary waves, beats and Doppler effect.
- Wave nature of light, Interference, Young's double slit experiment, Velocity of light and Doppler's effect in light.
- Reflection, refraction, total internal reflection, curved mirror, Lenses, mirror and lens formulae.
- Dispersion in prism, absorption and emission spectra.
- The human eye defects of vision, magnification and resolving power of telescope and microscope.
- ' e ' and ' e/m ' for electron, Einstein's photoelectric equation, photocells.
- Bohr model of the atom. Hydrogen spectrum, Composition of nucleus, atomic masses and isotopes radioactivity, laws of radio active decay, decay constant, half life and mean life, Mass-energy relation fission. X-Ray: properties and uses.
- Elementary ideas of conductor, semi-conductor and insulator, intrinsic and extrinsic semiconductors, pn junction as a rectifier.
- Bar magnet lines of force, torque on a bar magnet due to magnetic field earth's magnetic field, tangent galvanometer, vibration magnetometer.
- Coulomb's law of electrostatics, dielectric constant, electric field and potential due to a point charge, dipole, dipole field, Gauss's law in simple geometries.
- Electrostatic potential, capacitance, parallel plate and spherical capacitors, capacitors in series and parallel, energy of a capacitor.
- Electric current, Ohm's law, Kirchhoff's laws, resistances in series and parallel temperature dependence of resistance. Wheatston bridge, potentiometer.
- Measurement of voltages as currents.
- Electric power, heating effects of currents, chemical effects and law of electrolysis thermoelectricity. Biot Savart law Magnetic fields due to a straight wire, circular loop and solenoid.

- Force on a moving charge in a magnetic field (Lorentz force), magnetic moment of a current loop, effect of a uniform magnetic field of a current loop, forces between two currents, moving galvanometer, ammeter and voltmeter.
- Electromagnetic induction induced emf, Faradays law, Lenz's law, self and mutual inductance Alternating currents impedance and reactance, growth and decay of current in L-R circuit, elementary idea of dynamo and transformer.

SUBJECT: CHEMISTRY

GENERAL AND PHYSICAL CHEMISTRY

- Structure of Atom: Constitution of nucleus: Bohr's atom model: quantum numbers aufbau principle, electronic configuration of elements (upto-Kr): de-Broglie relation, shapes of orbitals.
- Chemical bond: Electrovalent covalent and coordinate bonds, hybridization (sp) : hydrogen bond : shapes of molecules (VSEPR theory) : bond polarity resonance, Elements of VBT a MOT.
- Solutions: Modes of expressing concentrations of solutions: Types of solutions, Raoult's law of colligative properties, non-ideal solution, abnormal molecular weights.
- Solid State: Crystal lattices, unit cells, Structure of ionic compounds: close packed structure, Ionic radii, imperfections (point defects): Properties of solids.
- Nuclear chemistry: Radio active radiations: Half-life, radioactive decay, group displacement law. Structure and properties of nucleus: Nuclear reactions, disintegration series, artificial transmutation: isotopes and their uses: Radiocarbon dating.
- Chemical equilibrium: Chemical equilibrium, Law of mass action : K_p and K_c : Le Chatelier principle and its applications.
- Ionic Equilibria in solutions, Solubility product, common ion effect, theories of acids and base hydrolysis of salts: pH buffers.
- Thermo chemistry and Thermodynamics: Energy changes during a chemical reaction: intrinsic energy. Enthalpy; First law of thermodynamics: Hess's law Heats of reactions: Second law of thermodynamics: entropy: free energy; spontaneity of a chemical reaction; free energy change and chemical equilibrium; free energy change and chemical equilibrium; free energy as energy available for useful work.
- Chemical Kinetic: Rate of a reaction, factors affecting the rate, rate constant, rate expression, order of reaction, first order rate constant expression and characteristics, Arrhenous equation.
- Electrochemistry: Oxidation, Oxidation number and ion-electron methods. Electrolytic conduction. Faraday's laws: voltaic cell, electrode potentials, electromotive force, Gibbs's energy and cell potentials, Nernst equation, commercial cells, fuel cell, electrochemical theory of corrosion.
- Surface chemistry. Colloids and Catalysis; Absorption, Colloids (types preparation and properties). Emulsions. Micelles, Catalysis: Types and characteristics.

INORGANIC CHEMISTRY

- Principles of metallurgical operations: Furnaces, ore concentration, extraction, purification metallurgies of Na, Al, Fe, Cu, Ag, Zn and Pb and their properties.
- Chemical periodicity: s.p.d. and f- block elements, periodic table: periodicity: atomic and ionic radii valance, ionization energy, electron affinity, electro negativity, metallic character.

- Comparative study of elements: Comparative study of the following families of elements: (i) Alkali metals (ii) Alkaline earth metals (iii) Nitrogen family (iv) Oxygen family (v) Halogens (vi) Noble gases.
- Transition metals: Electronic configurations of 3d-metal ions, oxidation states, other general characteristic properties, potassium permanganate, and potassium dichromate.
- Co-ordination compounds: Simple nomenclature, bonding and stability classification and bonding in organometallics.
- Chemical analysis: Chemistry involved is simple inorganic qualitative analysis: calculations based on acid-base titrimetry.

ORGANIC CHEMISTRY

- Calculation of empirical and molecular formula of organic compounds. Nomenclature of organic compounds, common functional groups isomerism, structure and shapes of alkanes, alkenes and benzene.
- Preparation properties and uses of alkenes, alkynes and alkynes, benzene petroleum, cracking octane number, gasoline additives.
- Nomenclature, Physical Chemical properties, correlation of physical properties with structure properties and uses of haloalkanes, haloalkanes, alcohols and phenols: General ideas of some polyhalogen compounds viz. dichloroethanes, dichloroethers, chloroform, carbon tetrachloride, D.D.T. benzene hexachloride.
- Nomenclature methods of preparation, Chemical properties correlations of physical properties with structures and uses of ethers, aldehydes, ketones carboxylic acids and their derivatives, Brief account of the chemistry of Cyanides, isocyanides, amines and nitro compounds.
- Polymers: Classification: Preparation, and uses of common natural and synthetic polymers.
- Biomolecules: Classification, Structures and biological importance of carbohydrates, amino acids, peptides, proteins and enzymes, nucleic acids and lipids.

SUBJECT: BOTANY

- Structural organization of cell, cell theory: Light and Electron Microscopic view of cell: Structure and functions of cell Organelles: - Nucleus Mitochondria, Chloroplast, Endoplasmic reticulum, Golgi complex, lysosome. Micro bodies, microfilaments, Ribosomes. Centrioles and Plasmids, Eukaryotic chromosome (Morphology) cell and plasma membrane. Difference between plant and animal cell Division, cell cycle. Significance of mitosis and meiosis.
- Mendel's Laws of inheritance, Monohybrid and dihybrid cross; Linkage and crossing over of genetic material DNA replication, genetic code transcription translation and gene regulation.
- Difference between prokaryote and Eukaryotes: Structure reproduction and economic importance of viruses Mycoplasma, Bacteriophage, Cyanobacteria (Nostoc) and Bacteria.
- Five kingdom classification Binomial nomenclature: External morphology and life cycle of Spirogyra Mucor, Funaria Selaginella and pinus.
- Elementary knowledge of microsporogenesis megasporogenesis, Fertilisation, endosperm and embryo development in Angiosperms.
- Tissues and tissue systems, meristematic and permanent tissue. Mineral nutrition-essential elements and their functions: uptake of minerals transport of water and solutes, Transpiration photosynthesis and Respiration importance, mechanism and factors affecting these processes: photorespiration.
- Enzymes and growth hormones with reference to their classification. Chemical nature, mode of action importance. Elementary idea of photoperiodism and phytochrome.

- Ecosystem - Structures and function, Major ecosystems i.e, Lake and Forest; Food chain, Food web' and Energy 'flow. Ecological crists-Role of man in polluting Environment-Air, Water and soil.
- Role of plants in human welfare: A general knowledge of plant products of economic value - Drugs, Fibers cereals.
- (Wheat and Rice) Pulse (gram) Oil seeds (ground nut). Sugarcane, Coal and petroleum.
- Food preservation-Methos and importance.
- Principle of plant breeding and its role in improvement of crops. Biotechnology: scope and importance in Agriculture and industries manufacture of cheese, Yoghurt Alcohol antibiotics.

SUBJECT: ZOOLOGY

MULTICELLUIARITY- STRUCTURE AND FUNCTIONS OF ANIMAL LIFE:

- Structure and function of Animal tissues Epithelial, Connective Muscular, Skeletal and Nerve.
- Histology of Manmalian oargans - Stomach, Intestine, Liver Kidney, Lung, Testis and Ovary.
- Structure and Physiology of different organ systems of Human body - Skin, Digestive System Respiratory System. Circulatory system, excretory system, Nervous system, Reproductive system.
- Skeleton, joints, Muscles on the basic of movement Receptors.
- Endocrine system with special reference to various Endocrine glands of man and hormonal co- ordination.
- Vitamins & minerals (source and disorders due to deficiencies)

DEVELOPMENTAL BIOLOGY AND GENETICS:

- Female reproductive cycles in mammals. Gametogenesis alongwith structure of sperm and ovum.
- Types of eggs, Fertilization, cleavage types of cleavage and blastula.
- Development of mammals upto three germinal layers. Foetal membrancestructure and functions.
- Growth, repair and ageing, amniocentesis.
- Chromosomes, Types of chromosome, Human karyotype and chromosomal abnormalities and syndromes. Hormonal, Chromosomal and Genic balance theory of sex determination. Sex. Linkage and sex linked inheritance in Man. Blood Groups and their significance, Blood Bank.
- Tissue culture Genetic Engineering (Brief idea). Mutation gene mutation.
- Human population natality Mortality, Sex ratio, Population explosion, dynamics of human life with respect to food supply, housing health and standard of living impact of population problems and their control.

TAXONOMY EVOLUTION ECONOMIC ZOOLOGY:

- Classification-Binomial and trinomial nomenclature Basic features of classification, Classification of different animal phyla up to classes with characters and suitable examples.
- Origin of life, Theories of Organic evolution-Darwin, Lamarck, Synthetic Evidence of organic evolution Human Evolution.

- Economic Zoology /Sericulture, Apiculture, Lac culture, Poultry, Fishery and pearl industry.
- Protozoan disease in relation to man. Insect carrying diseases in relation to man.
- Cancer-types of cancer and cancer cell. Communicable diseases (Hepatitis. AIDS) STD, Immune Response, Vaccines and antis era Allergies.
- Smoking, alcoholism and drug addiction symptoms and control.
- Wild conservation.
- Pesticides - Uses, advantages and hazards.

ऐसोसिएशन ऑफ प्राइवेट यूनीवर्सिटी मध्यप्रदेश की सम्पूर्ण भारतवर्ष में अन्य कोई ब्रांच नहीं है संस्था का कोई भी अधिकारी/कर्मचारी कार्यालय के बाहर जाकर काम नहीं कर सकता और ना ही नियम विरुद्ध प्रवेश दिलाने का अधिकार रखता हैं । ऐसे में अगर कोई व्यक्ति/ऐजेंसी/संस्था हमारी संस्था का प्रतिनिधि होने का दावा कर ऐसोसिएशन ऑफ प्राइवेट यूनीवर्सिटी मध्यप्रदेश एवं मेडीकल कॉलेज के पक्ष में प्रवेश के नाम पर किसी छात्र/छात्राओं/अभिभावको से आवेदन पत्र प्राप्त करें अथवा छात्र/छात्राओं/अभिभावको को मेडीकल कॉलेज में प्रवेश देने का आश्वासन दे, ऐसे व्यक्ति/ऐजेंसी/ संस्था अवैध गतिविधियों द्वारा छात्र/छात्राओं/अभिभावकों को गुमराह कर जालसाजी कर सकते हैं ऐसी अवैध गतिविधियों के लिए ऐसोसिएशन ऑफ प्राइवेट यूनीवर्सिटी मध्यप्रदेश एवं मेडीकल कॉलेज किसी भी प्रकार से उत्तरदायी नहीं होगा ।

ऐसोसिएशन ऑफ प्राइवेट यूनीवर्सिटी मध्यप्रदेश के सदस्य यूनीवर्सिटी एवं संघटक इकाइयों एआइसीइटी (AICET) में सीटों पर प्रवेश ऐसोसिएशन ऑफ प्राइवेट यूनीवर्सिटी मध्यप्रदेश द्वारा आयोजित एआइसीइटी परीक्षा (AICET) में प्राप्त मेरिट के आधार पर सैन्ट्रलाइज कौंसिलिंग के माध्यम से ही होंगे। मेडीकल कॉलेजों में प्रवेश हेतु इच्छुक छात्र/छात्राओं/अभिभावको को चेतावनी दी जाती है कि वे किसी अवैध गतिविधियों में न पड़े एवं जालसाजों से बचे अन्यथा वे स्वयं उत्तरदायी होंगे।

Important Caution

Association of Private Universities Madhya Pradesh (APUMP), do not have any other Branch Office all over India. The employees of APUMP are not allowed to work outside the office nor they have any right to secure admission against the rules. Any person /agency / institution claiming to be representative of the Association of Private Universities Madhya Pradesh and assuring to secure admissions in **Members Medical College** either through influence or by use of unfair and unethical means could be touts / agents / racketeers trying to deceive by false promises to secure admissions. The **APUMP** is not responsible for any such illegal activity.

Admissions in Private University and its constituents units Medical Colleges established under M.P. Niji Vishwavidyalaya (Sthapana Avam Sanchalan) Adhiniyam, 2007 through AICET Examination conducted by the APUMP is through centralized Counseling based purely on merit. Candidates aspiring for admissions in Members Medical College are advised to beware of unscrupulous elements and do not fall in their trap or else they will be solely responsible.

APUMP

ISO 9001:2008 CERTIFIED UNIVERSITY

Overview

People's University is situated in Bhopal, the beautiful "City of Lakes", capital of Madhya Pradesh. People's University has ten Constituent Institutes. Its campus is conducive and possess academic environment for education & career building in central India. Our journey began with an objective of "***Nurturing Humanity through Health, Educational & Media Excellence***", when SJPN decided to establish educational institutes as centre for excellence.

People's University was established by the Madhya Pradesh legislature through an amendment in Madhya Pradesh Niji Vishwavidyalaya (Sthapana Avam Sanchalan) Adhiniyam-2007 as Madhya Pradesh Act (No.18 of 2011) - **People's University, Bhopal** as a state Private University and is empowered to award degrees as specified by UGC under Section 22 of the UGC Act 1956 through its main campus in regular mode with the approval of statutory bodies/councils, wherever required.

The Constituent Institutes of People's University are already recognized /approved by concerned Statutory Bodies/Councils like MCI/DCI/INC/PCI & MP State Paramedical Council.

UNIVERSITY AT A GLANCE

The People's University campus is spread over 69.19 acres of area near the National Highway No. 86 in Bhopal. It is credited to be Central India's largest single-campus University. Environment-friendly campus is home to several architecturally striking buildings where every need of staff and students is met. Tree-lined avenues and lush lawns dotted with beautiful flowering shrubs soothe the eye and create an ideal learning ambiance

Our Vision

Our Vision is to set up a health and education hub with world class infrastructure and ingenious intellectual capital that enhances the educational, economic, healthcare, social and cultural foundations of the region, state, and nation.

Our Mission

Our Mission is to move forward the frontiers of human knowledge and enrich and elevate the society. The mission is to:

- Advance the community of learning by engaging in scientific research, humanistic scholarship, and artistic creation;
- Prepare the next generations of skilled and ethical professionals by providing a high quality educational experience to students in a diverse learning environment to compete in a diverse world market;
- Promote the values and institutions of democracy, protecting the environment, and conserving natural resources; that prepare students to lead lives of personal integrity and civic responsibility in a global society;
- Promote a campus environment that welcomes and honors women and men of all castes, creeds, and cultures and an atmosphere that values intellectual curiosity, pursuit of knowledge, and academic freedom;

PEOPLE'S COLLEGE OF MEDICAL SCIENCES & RESEARCH CENTRE, BHANPUR, BHOPAL

(Constituent Unit of People's University)

OVER VIEW

Sarvajank Jankalyan Parmarthik Nyas, Bhopal was registered on 17th April 2000 under the MP public trust act, 1951. The spirit of altruism that permeates the Indian psyche, led to founding of the Sarvajank Jankalyan Parmarthik Nyas, with the mission to set up hospitals, educational institutes, shelters for the poor and underprivileged, and undertaking other philanthropic projects for the welfare of the public. The Nyas is also extending financial assistance and scholarship to the poor and meritorious students. Under the aegis of people's group, the Nyas has already established several health related institution such as medical college, dental colleges, hospitals, nursing, paramedic, physiotherapy and pharmacy colleges and other educational institutes, right from a public school to centers of higher professional studies. The magnificence of these institutions bears testimony to the shining vision and sincerity of purpose, which are the hallmarks of the Nyas.

PEOPLE'S COLLEGE OF MEDICAL SCIENCES AND RESEARCH CENTRE

Peoples College of medical science and research centre was established in the year 2005. It was the culmination of determined efforts of honorable Shri Suresh Vijaywargia. The idea behind this college was to provide medical education, promote health care research activities & to develop a health care hub which will cater the genuine needs of the community. Provision of critical & ambulatory care to the poorest of poor was the humble goal. The determination to remain as a centre of excellence in health care sector is reflected in every aspect of this institution. People's College of Medical Sciences & Research Centre is now a Constituent Unit of People's University, Bhopal which has been established on 4th May 2011 by an Act of State Legislature which is reaching to optimum goals of Higher Education and Research Environment.

- MBBS degree recognized & Approved by Govt. of India & Medical Council of India.
- MD/MS/PG courses in 20 Departments with 49 seats sanctioned & permitted by M.C.I
- ISO 9001- 2008 certified.
- Approved for 150 admissions per year in MBBS.
- Associated hospital of adequate teaching beds at present.
- Hi-tech lecture halls, laboratories, museums and auditorium.
- Experienced and reknowned faculty.
- Approved by govt. of M.P. for Autopsy works.
- High priority to research, development and innovations.
- Fully equipped rural and urban training health centers.
- Extended RCH services through four rural public health centers of the state govt.
- Conferences, workshop & lectures on research methodology & ethics.
- Well established state of art central research laboratory with Molecular Biotechnology, Human Genetic, Biochemical Research, Immunology & stem cell Tech. labs.
- 40 Slice multi detector whole body C.T. Scan, 1.5 tesla M.R.I. Machines, Mammography Unit & D.S.A. Unit of latest technology along with other Hi-tech investigations facilities.
- Excellent Meritorious performance in university examinations

CAMPUS

Spread over an area of about 33.44 acres, it is a beautifully architected and landscaped wi-fi campus keeping in mind utility & aesthetic view. This serene, clean & unpolluted campus accommodates main college building, state of art auditoriums and gymnasium, cafeteria, National Bank facility, post office, ATM service centre, residential quarters for teaching & non-teaching faculty members, day care centre, 24 x 7 in house security, police out post and upcoming recreational & family entertainment centre. Institute has implemented guidelines of MCI to curb ragging and ensures zero ragging & zero - tolerance status of entire campus. Ragging is totally banned / prohibited in this institution and any one found guilty and / or abetting ragging is liable to be punished as per 'Prevention & prohibition of ragging in medical institution regulations 2009' of MCI.

LOCATION

The People's College of Medical Sciences and Research Centre along with its affiliated teaching hospital has adequate teaching beds is situated at Bhanpur, Karond By Pass Road, Bhopal, M.P. in about 33.44 acres of unitary piece of land. The college is about 5.5 Kms from the Airport and 6.5 kms from the Bhopal Railway Station.

COURSES OFFERED

- MBBS (Recognized by MCI & Govt. of India)
- M.D./M.S. Courses in 20 subjects with 49 seats.
- M. Sc. Medical Microbiology and M. Sc. Medical Biochemistry.

Wi Fi CENTRAL LIBRARY

Situated on the ground & 1st floor of main college building provides excellent environment for academic growth of the students. The total surface area of the library is 3200 sq. mtrs. & at present there are 20,235 books and 113 National and International Journals. In addition to this, 50 computers with internet facility, academic CD's, Audio-visual aids and separate units for students, staff are provided. In the library three separate halls for Under Graduate students remain open for 24 hours. On line full text 1524 Medline Journal are available along with skill lab.

AUDITORIUM & THE LECTURE HALLS

The Lecture Halls are air- conditioned and well equipped with sophisticated audio- visual teaching aids eg. L.C.D Projector with separate Medical Education unit

There is a beautiful, spacious air-conditioned, state of art auditorium with all modern gazettes, equipments, audio-visual aids with a seating capacity of about 800 individuals. Another air conditioned auditorium of 350 seating capacity is also available.

HOSTELS

There are 3 separate blocks for boys and girls hostels. In addition 2 blocks for Interns & 2 blocks for P.G. Students (Separate for Boys & Girls) are also available. Each block has got 48 rooms to accommodate 96 students. The rooms are well ventilated and designed for twin sharing with attached bathrooms and balcony. The hostel messes and coffee house on campus provide variety of meals. The hostels are equipped with water purifiers, water coolers, entertainment facilities, gymnasium, in-door games facilities. They also have round the clock security and communication facilities.

PEOPLE'S HOSPITAL

People's Hospital located in an area of 5.39 acres is associated Hospital of People's College of Medical sciences. The constructed area is 50,641.08 Sq. mtr. The Hospital is spread over five blocks. The hospital provides modern diagnostic and treatment facilities.

- Emergency services and trauma care are available round the clock with latest diagnostic and treatment facilities and well equipped Intensive care unit, Blood bank with Blood component facilities.
- Specialist senior faculty members of various disciplines attend the emergencies.

Some specialized services available are Gastroenterology, Endocrinology, Plastic Surgery, Paediatrics Surgery, Neurology, Cardiology, Urology, Psychiatry, Neonatology, Laparoscopic Surgery, Spinal Surgery, Micro-Laryngeal Surgery, Facio-Maxillary Surgery, and Reconstructive Surgery.

People's World

- Located within People's Campus at Bhopal (M.P.) is a destination for you, your friends & entire family to live the unforgettable fun, adventure and excitement.

- Most diverse campus spread over 200 acres to offer widest range of products and services under one roof.

- **Main Attractions :** Shopping, Events, Entertainment, Tourism, Real Estate, Hotel & Resorts, Food Courts, Services, Adventure Sports and Film city

L.N. MEDICAL COLLEGE & J.K. HOSPITAL, BHOPAL

(ISO 9001:2008 Certified)

Constituent College of LNCT UNIVERSITY

Estbd. In 2009, Recognized by M.C.I., Approved by Ministry of Health & Family Welfare (GOI)
and Affiliated to Barkatullah University, Bhopal

L.N. Medical College & Research Centre

About LNMC & RC

College was established in 2009 by the LNCT Group "Pioneers of Professional Education in MP".

The decision to start a Medical College & Hospital by the Group was the result of a need to provide world class yet economical medical aid to the needy, and also to impart best medical education so as to produce enlightened & humane doctors, who would make the nation proud.

Salient Features

- ◆ Attached to 750 bedded multispeciality hospital for in-house hospital training.
- ◆ Spacious building
- ◆ 4 Air-conditioned lecture halls of 180 seating capacity equipped with Smart classroom & Audio Visual Facility.
- ◆ Air-conditioned library, computer centre, AV-section.
- ◆ Qualified & experienced faculty of high caliber & rich teaching experience.
- ◆ Meritorious Results in the University Examinations
- ◆ Well equipped laboratories.
- ◆ Finest Museums to comprehend with basic of Medical Science.
- ◆ Large playgrounds in eco friendly atmosphere.
- ◆ Punctuality and discipline and studious environment.
- ◆ Zero Ragging.

Courses offered for Academic session - 2014

UG Course : MBBS (5 ½ Years)

PG Courses :

MD- Anatomy

MD- Biochemistry

MD- Pathology

MD- Community Medicine

MD- Physiology

MD- Microbiology

MD- Pharmacology

HOSTELS :

- ❖ Separate Hostel for Boys and Girls.
- ❖ Hygienic Mess facility in each hostels.
- ❖ Strict Discipline.
- ❖ Indoor and Outdoor Sports facility.
- ❖ Television and Daily News paper.

J. K. HOSPITAL, BHOPAL

The base of a good medical education is the provision of an inflow of a large number of patients. Towards this goal a 750 bedded teaching hospital, in the name of J.K. Hospital & Medical Research Centre, was started in 2008.

J.K. Hospital is having the entire modern and state of art facilities to ensure holistic and comprehensive health services. The Hospital has full fledged departments catered by eminent and highly competent medical faculties, supported by other paramedical and trained personnel working with highly sophisticated equipments.

Facilities that J.K. HOSPITAL provides:

- ❖ MRI 1.5 T
- ❖ 128 Slice CT Scan
- ❖ MAMMOGRAPHY
- ❖ Digital X-Ray, Sonography
- ❖ Cath lab
- ❖ Echo Cardiography, Color Doppler, T.M.T.
- ❖ Endoscopy
- ❖ Well organized OPD's with multi speciality clinics
- ❖ ICU, ICCU, NICU, PICU
- ❖ 10 High tech Operation Theatre
- ❖ Dialysis
- ❖ Advance Pathology lab
- ❖ Blood Bank with blood component separation unit
- ❖ Eye & Ear Test
- ❖ Bronchoscopy, Spirometry
- ❖ Audiometry Test
- ❖ 24 Hour Ambulance service & Pharmacy & Emergency services
- ❖ Centralized Oxygen supply in OTs, ICUs & all wards
- ❖ Day Care Facility

For Admission and further details, please contact :-

RKDF Medical College, Hospital & Research Centre

Permitted By Govt. Of India, Ministry of Health & Family Welfare Department
Approved by Medical Council Of India, New Delhi & Govt. Of Madhya Pradesh

About College

The RKDF Medical College, Hospital & Research Centre is one of the prestigious ventures of the RKDF Education Society. This college was established in 2014 in a well planned campus on Hoshangabad Highway, Bhopal.

Bhopal is well connected by rail, road, and air link with all major cities of India.

Our institute offers MBBS course which is five & Half year Degree Course including internship The college is Approved by Medical Council of India & Ministry of Health & Family Welfare & Department of Medical Education, Govt. of Madhya Pradesh.

**For Admission And More Details Contact Us At:-
Rkdf Medical College, Hospital & Research Centre, Bhopal**

Nh12, Hoshangabad Road, Jatkhedi, Bhopal (M.P.) India

TEL: 0755-6710300, Toll Free No. 180030000315, Mob. 09644690008

E-mail: rkdfmedical2012@gmail.com, Website: www.rkdfmedicalcollege.com

Courses Offered

Course	Intake	Duration
MBBS	150	4 year 6 Month + internship

Our Aims & Objective

- ✓ To improve quality education and professional training to the students and equip them with effective professional skills. We work towards the all round versatile development of the students.
- ✓ To train Medical Students to provide Preventive, Curative and Rehabilitative Medical services to Urban and Rural population, thus serving the society.
- ✓ To utilize the latest technology in providing Medical Health Care by conducting Research in Medical fields and explore scope for Higher studies. We Believe in quality education

Salient Features:

- ✓ Good ambience in a well established campus.
- ✓ Highly qualified faculties.
- ✓ Clinical facilities for patients at normal charges.
- ✓ State of the art equipments in labs and departments.
- ✓ 300 bed tertiary care specialty hospital
- ✓ Individual attention to each student.
- ✓ Bus facilities from all corners of Bhopal
- ✓ Digital library with latest medical books.
- ✓ Separate hostels for boys and girls with resident warden.
- ✓ Canteen, stationary, photocopy, STD, PCO and Internet facility in the campus.
- ✓ Round the clock security with armed guards.

→ LABORATORY & DEPARTMENT:

The institute has developed ultra modern Hi-Tech Medical Clinics, Laboratories and Department dedicated to the benefit of the patients, students and the community.

→ HOSTEL & OTHER ACCOMODATION:

The institute has separate hostel for boys and girls along with staff residence within the campus. Twin sharing room are provided with adequate Mess facilities.

→ SPORTS & CULTURAL ACTIVITIES:

Special emphasis has been laid on participation for indoor and outdoor games. Academic and cultural activities are organized every year.

→ FINANCIAL ASSISTANCE:

Scholarship is available from state Govt. to SC/ST/OBC students. Educational loan is available schedule banks.

IMPORTANT DATES

Details	:	Date
Online Application Forms and Information Brochure are available in Website	:	14 th April 2016
Last date for receiving complete Application Forms at Office of the Association of Private Universities Madhya Pradesh 45, Nishat Colony, Gate No. 1 Bhopal-462011	:	10 th May 2015 (Tuesday) Upto 6:00pm only
Last Date with late fee of Rs. 500/-	:	12 th May 2016 (Thursday) Upto 6:00pm only
Date of Examination :	:	14th May 2016 (Saturday)
Time of Examination :	:	To be notified in time
Reporting Time	:	2 Hours before Exam Time
