1. Introduction

Department of Training & Technical Education, Govt. of NCT of Delhi, in its endeavor to provide technical and skilled manpower suited to various needs of industry, is implementing Craftsmen Training Scheme to impart training in technical and industrial skills through Industrial Training Institutes spread all over Delhi.

There are **19** Government ITIs (including Hastsal Extension Centre and Multi Sectorial Development Plan for minority women only at ITI, Nandnagri) having **9242** seats for the session 2016-17 in **45** different trades affiliated with National Council for Vocational Training (NCVT) and State Council for Vocational Training (SCVT).

Our corporate partners for institutional Development includes the leaders in Indian industry like Tata motors, Toyota, Maruti Suzuki India Limited, Samsung India Limited, Sheela Foam, Tata power Delhi Distribution limited, Siemens etc.

The Craftsmen Training Scheme was introduced by the Government of India in 1950 to ensure a steady flow of skilled workers in different trades for the domestic industry, to raise quantitatively and qualitatively the industrial production through systematic training, to reduce unemployment among the educated youth by providing them employable training.

Salient Features of the **Craftsmen Training Scheme**:-

- ITIs are functioning under the administrative control of the respective State Govt./UTs.
- The period of training for various trades varies from one year to two years and the entry qualification varies from 8th to 12th class pass, depending on the requirements of admission in different trades.
- These institutes are required to conduct training courses as per the curriculum prescribed by National Council for Vocational Training (NCVT). The admission to the new courses is made in the month of July/August every year.
- The trainees, after completion of the training period are required to appear in the Final Trade Test conducted under the aegis of National Council for Vocational Training/State Council of Vocational Training. The successful trainees are awarded National Trade Certificate/State Trade Certificate which has been recognized by Govt. of India/State Govt. for the purpose of recruitment to subordinate posts and services under the Central Govt./State Govt./PSUs/Private Sectors.
- Training in Govt. ITIs is provided at nominal fee with library, sports and medical facilities etc.
- Syllabi of various trades are periodically revised to keep pace in tune with changes in technology.
- Seats are reserved for SC/ST, OBCs, Differently able and women candidates as per norms.
- There is a provision of re-affiliation for existing affiliated ITIs for more than 5 years old to ensure standards/norms prescribed by N.C.V.T.
- Work of inspection & accreditation of ITIs has been entrusted to the Quality Council of India w.e.f. 1/9/2012 and applications are submitted online for opening of new ITIs as well as addition of trades in existing ITIs.

4. ABOUT THE TRADES / COURSES

4.1.1 SEMESTER SYSTEM

DGE&T has converted structure of examination pattern into semester system in place of annual examination pattern, w.e.f. August, 2013.

The courses have been designed to impart basic skills and knowledge in the trades so as to prepare trainee for employment as a semi-skilled worker or for self-employment.

As 70% of the training period is allotted to practical training and the rest of the subjects are Trade Theory, Workshop Calculation & Science, Engineering Drawing, and Employable Skills therefore, emphasis is on skill building.

4.1.2 EXAMS UNDER SEMESTER SYSTEM AND ELIGIBILITY TO APPEAR IN EXAMINATION

In semester system the course is divided into semesters of six months each. Only those candidates who have completed the semester with minimum essential attendance would be permitted to appear in examination. The candidate who has insufficient attendance may not be allowed to appear in the ensuing examination and would be treated as per DGE&T norms. However, candidate has to attain 80% cumulative attendance at the end of the course to appear in the last/final semester examination.

4.2 Four Semesters Engineering Trades

4.2.1 TOOL & DIE MAKER (DIES & MOULDS) - The course gives complete knowledge on preparation of Tools, Gauges, Fixtures required for Industries. It also covers Hydraulic and Pneumatic Exercises, CNC Programming and Work & Project Organization and Projects, U Bending Tool, Compound Tool, Progressive Tool, Draw Tool and Combination Tool. The trainee can be able to manufacture different components for dies & moulds by operating different machines like lathe, drilling, welding, milling grinding, EDM, Injection molding and CNC. One can take employment with leading Industries and be an entrepreneur as Tool & Die maker.

(NO ADMISSION IN THIS ACADEMIC SESSION)

4.2.2 TOOL & DIE MAKER (PRESS TOOLS, JIGS & FIXTURES) - The course gives complete knowledge on preparation of Tools, Gauges, Fixtures required for Industries. It also covers Hydraulic and Pneumatic Exercises, CNC Programming and Work & Project Organization and Projects, U Bending Tool, Compound Tool, Progressive Tool, Draw Tool and Combination Tool. The trainee can be able to manufacture different components for jigs, fixtures and press tools by operating different machines like lathe, drilling, welding, milling grinding and CNC. The trainee can also perform simple repair on machinery. One can take employment with leading Industries and be an entrepreneur as Tool and Die maker (Press Tools, Jig and Fixtures).

4.2.3 DRAUGHTSMAN (CIVIL) - The course gives a wide knowledge on construction related manual and CAD drawings, Surveying, Materials, Concrete Technology, and Building Specialization in Construction. One can take gainful employment with construction Industry, Architectural firms / Designers / PWD etc.

- 4.2.4 DRAUGHTSMAN (MECHANICAL)** - The course gives a wide knowledge on machinery related manual and CAD drawings, Materials, Construction of machine & its materials. One can take gainful employment with manufacturing Industries of Govt. / Private Sectors.
- 4.2.5 ELECTRICIAN** - The course has been designed in order to give in-depth practical and theoretical knowledge of conventional and emerging areas related to electrical engineering with emphasis on electronics like Electrical Circuits, Basic Electronics, Wiring practice, Electrical machines, Measuring technique, Winding practice, Domestic Appliances & Lighting and Installation service & maintenance of electrical equipments. On successful completion, one can take employment with Govt. / Private sectors as well as self employment.
- 4.2.6 ELECTRONICS MECHANIC** - This Trade broadly covers the knowledge & repairs of Home appliances, Digital Electronics, Industrial Electronics, LCD/Plasma/LED Color Televisions, CD & DVD players, CC TV & Cable TV, Communication equipments, Measuring Instruments and Microprocessors & Computers. After successful completion one can take gainful employment with manufacturing and servicing industries of Electronic equipments.
- 4.2.7 INFORMATION & COMMUNICATION TECHNOLOGY SYSTEM MAINTENANCE** - The role of a Information & Communication Technology System Maintenance personnel is to support and maintain computer systems, desktops, and peripherals. This includes installing, diagnosing, repairing, maintaining, and upgrading all hardware and equipment while ensuring optimal workstation performance. The person will also troubleshoot problem areas in a timely and accurate fashion, and provide end user training and assistance where required. Install, maintain and setup network with computers, printers and other peripheral equipment as well as configure broadband equipment.
- 4.2.8 INSTRUMENT MECHANIC** - This course has been started with a view to train students in the vastly Emerging industries of India using new technologies like Petro-Chemical Engineering, Manufacturing Engineering, Aviation etc. To cope up with the modernization of Indian industry and quality control, the syllabus and objectives of teaching have been formulated to encompass the areas of computers, manufacturing engineering, robotics and industrial automation, which are now important areas of study. One takes employment with Govt./ Private Industries.
- 4.2.9 MACHINIST GRINDER** - Grinding experience will be in the field of "Tool" Grinding, Machinist (Grinder) setup and operates variety of machine tools, and fits and assembles parts to fabricate or repair machine tools and maintain industrial machines, applying knowledge of mechanics, shop mathematics, metal properties, layout, and machining procedures. The trainees, admitted after successful completion of their training, acquire the skills on various operations in different grinding machines Viz. Centre less grinder, Crankshaft Grinders, Internal & External Grinders, Tool & Cutter grinder apart from basic knowledge on machines. One can take Govt. / Private Employments.

4.2.10 MECHANIC MOTOR VEHICLE - The course broadly covers the complete functioning, overhauling of Petrol & Diesel Engines of vehicles of all categories being fuelled by Petrol, Diesel & Gases The course has a good demand in the Automobile industry thereby giving advantage for either employment or self employment.

4.2.11 REFRIGERATION AND AIR CONDITIONING -The course gives an in-depth knowledge on Repair & Maintenance of Refrigerators, Centrally Air-conditioning system & Air-conditioners available in the market. On Successful completion, trainees can be absorbed in Railways, Govt. / Public Sector under takings apart from self employment.

4.2.12 FITTER - Fitter is a person who uses machine tools to make or modify parts, primarily metal parts, and a process known as machining. This is accomplished by using machine tools to cut away excess material such as a woodcarver cuts away excess wood to produce his work. The demand of fittings of various nature, Plumbing, Welding, Black smithy, Knowledge on various Lathes, drilling Machines, Sheet Metal Works etc. The fitter Workshops are equipped with modern and sophisticated Machineries, Equipment & Tools. The precision works are mainly handled by fitters in the Industries.

4.2.13 MACHINIST - Machinists use machine tools, such as lathes, milling machines and grinders to produce precision metal parts. Although they may produce large quantities of one part, precision machinists often produce small batches or one-of-a-kind items. They use their knowledge of the working properties of metals and their skill with machine tools to plan and carry out the operations needed to make machined products that meet precise specifications. The parts that machinists make range from bolts to automobile pistons. Some machinists, often called production machinists, may produce large quantities of one part, especially parts requiring the use of complex operations and great precision. Many modern machine tools are computer numerically controlled (CNC) or CNC machines.

4.2.14 PAINTER GENERAL - This trade broadly covers oil painting using spray gun and brushes, stenciling, Painting of walls-Layout process, Pigment, Process of pre-treatment of metal, surfaces, silk screen painting, Spray painting, color codes & identification of pipe lines as per international & Indian standard, Airless & electrostatic spraying, Rustburg electrostatic, blade coater, Method and application processes of car body finishing various types of systems of spray painting and Staving , methods of heat transfer, time temperature relation in a staving oven. The trainees in Painter (General) may work as painter, Automobile, Railways, Aircrafts and Medium, small industry or in government organizations.

4.2.15 TURNER - The trainees admitted, after successful completion of their training acquire the skills on various operation in different Lathe machines and acquire the skills of Facing, Plaining, Turning, Threading (Internal & External), Taper Turning etc. Apart from the conventional machines, they have exposure to acquire skills on CNC Machines, CAD & CAM.

4.2.16 WIREMAN - This Trade broadly covers Basic electrical & workshop practice, Electrical Wire Materials Measuring Techniques, Wire Termination & Joints, Cable Gland, Termination Lug and Soldering, Wiring of P.V.C, MS, Concealed, Termination & Fault Finding in Construction M/C & Fittings, Repair of Domestic Appliances & Lighting, Simple Control Circuit, Making of Earth Pit, Testing of Circuits, Domestic Wiring & Estimation, and Electrical Machines. The trainees can gain employment with Govt. Electrical organizations, Railways etc.

4.2.17 MECHANIC MEDICAL ELECTRONICS - This course has been designated to provide an in depth knowledge of Digital Electronics, Communication equipment and various precisions medical & dental equipment's viz. surgical diathermy, baby incubator, ventilator, pacemaker, ECG recorder. They also learn the operation of these electronics equipments and trouble shooting. After completion of training, one can take up job with the manufacturing and service industries of electronics equipments with advantages of being absorbed as biomedical technician by the medical equipment manufacturer.

4.2.18 TECHNICIAN POWER ELECTRONICS SYSTEMS-The trade broadly covers the topics on different variety of This course is meant for the candidates who aspire to become a Technician to Maintain and Repair Power Electronic Equipment, trainee shall be able to handle different types of Electronic measuring Instruments, faults, computer hardware & networking, maintenance of SMPS, UPS, Inverter, solar power system and various analogue and digital circuits. Repair maintenance& installation of Electrical control of AC/DC machines. On successful completion of this course, the candidates shall be gain fully employed in leading industries or getting self-employed.
(NO ADMISSION IN THIS ACADEMIC SESSION)

4.2.19 MECHANIC CONSUMER ELECTRONIC APPLIANCES-This course is meant for the candidates who aspire to become a Technician to repair different Domestic and Consumer Appliances. The trainee shall be able to handle different types of Electronic measuring Instruments, faults, computer hardware & networking, maintenance of SMPS, UPS, Inverter, solar power system and various analogue and digital circuits. Installation & Repair maintenance of microcontroller based system, LED/ LCD TV, Cell phone (Mobile), Consumer electronics equipment's like Washing Machine, Dish Washer, Mixer Grinder, water purifiers, Vacuum cleaner, Microwave oven, Immersion heater, Induction cook top, printers, home theatre system & CCTV etc. The candidates shall be gain fully employed in leading various industries like consumer/domestic electronics appliance & manufacturing industry or getting self-employed.
(NO ADMISSION IN THIS ACADEMIC SESSION)

4.2.20 INFORMATION TECHNOLOGY-The role of INFORMATION TECHNOLOGY personnel is to support and maintain computer systems, desktops, and peripherals. This includes installing, diagnosing, repairing, maintaining, and upgrading all hardware and equipment while ensuring optimal workstation performance. The person will also troubleshoot problem areas, in a timely and accurate fashion, and provide end user training and assistance where required. Install, maintain and setup network with computers, printers and other peripheral equipment as well as configure broadband equipment.
(NO ADMISSION IN THIS ACADEMIC SESSION)

- 4.2.21 ARCHITECTURAL ASSISTANT** - The course gives a wide knowledge on construction related drawings, Surveying, materials, Concrete Technology, Building Specialization in Construction, Auto CAD. One can take gainful employment with construction Industry, Architectural firms / Designers / PWD etc.
- 4.2.22 MECHANIC AUTO ELECTRICAL & ELECTRONICS** - A course which covers all Electrical/Electronic related works in an automobile which broadly covers basic miscellaneous electrical equipment's & accessories of all type of vehicle Automobile, control system, power seats, power window system, heated windshield, electric door lock, lighting system, spark plug, ignition system cranking motor, alternator functioning system, sensor functioning, types of sensors, charging system, Alternator types, types of regulator, Alternator cooling, trouble diagnosis. The course has a good demand in the Automobile industry thereby giving advantage for either employ mentor self-employment.
- 4.2.23 MECHANIC AUTO BODY REPAIR** -The syllabus imparts training on basic body repair skills, thereby improving their knowledge of repair techniques and facilitating the adoption of latest technology in body repair.
- 4.2.24 MECHANIC AUTO BODY PAINTING**- The syllabus imparts training on basic body and paint repair skills in addition to dealer specific requirements to students, thereby improving their knowledge of repair techniques and facilitating the adoption of latest technology in body and paint repair.
- 4.2.25 GENERAL CARPENTER**- The trade Carpenter is a two semester training course and part of Mechanical /Production Engineering under the National vocational training system in India. The trade broadly covers Basic Sizing of Timbers, Cutting Plywood, Timber Jointing, Make Conv. Shutter, Erecting & dismantling of conventional pipe staging, Residential Carpentry, Frame Carpentry, Exterior Finish, Interior Finish, and Commercial Carpentry.
- 4.2.26 COMPUTER HARDWARE & NETWORK MAINTANANCE** - The course provides the knowledge on repair of Computers and related peripherals of various brands and configurations, networking of computers through LAN, MAN, WAN etc. After completion one can join any of the Computer Industry as Networking Technician.
- 4.2.27 MECHANIC DIESEL**- The course broadly covers the complete functioning, overhauling of Diesel Engines of vehicles of all categories being fuelled by Diesel The course has a good demand in the Automobile industry thereby giving advantage for either employment or self-employment.
- 4.2.28 INTERIOR DESIGN & DECORATION** - The course covers the area of CAD training on computers using the latest software, workshop practices in carpentry, fitting, welding, painting and polishing followed by an industrial training of Six weeks duration. On successful completion, trainees can work with leading architects/builders / Interior Design / Decorators. On present days it has good potential in the market as regards employment & earning.

4.2.29 PLUMBER - The trade broadly covers Basic Galvanized pipes Fitting, Cast iron pipes Fitting, PVC Pipe Fitting, SW Pipes Fitting, Water test, Pressure test, Smoke test, Ball test, Taps & Valves Fitting, Cutting / Threading / Bending / GI Pipes, Alkathene flanging / Jointing, Making service connections, Connecting house sewer to main, Fixing Sanitary Fixtures, Installing Water Pump, connecting supply pipe. Thus the trainees are prepared for employment with sanitary organizations, construction Industry and self-employment in both India & abroad.

4.2.30 MECHANIC MOTORCYCLE-

This Trade broadly covers basic repair & maintenance of all two wheeler and three wheeler vehicles with four strokes and two strokes Engine. Test performance of vehicle adjustment to remove defects. Thus the trainees on successful completion enter two wheeler manufacturers / Service stations or can even open their own workshop as self-employment.

4.2.31 SHEET METAL WORKER - The course covers basic knowledge of Sheet Metal works, Bending, Extruding, fitting, soldering, brazing, ducting, cabins & panels, aluminium frame work etc. On successful completion trainees can take placements with construction Industry, DMRC, Infrastructure industries or they can start up their own works shop.

4.2.32 STEEL FABRICATOR - The course covers basic knowledge of Sheet Metal works, Bending, Gate, Grills, Welding both Arc & Gas, fitting etc. On successful completion trainees can take placements with construction Industry, DMRC, Infrastructure industries or they can start up their own welding works shop.

4.2.33 WELDER - The trade broadly covers Arc Welding, Gas Welding, Gas Cutting, Different types of similar and dissimilar ferrous & nonferrous metals welding, Pipe welding, MIG/MAG, TIG Welding, Plasma arc cutting. There is a huge demand in the market for welders both in India & abroad. Govt. organization like ONGC, NTPC, BHEL and ship building Industry has a good demand for welders.

4.2.34 SURVEYOR - Surveying is a scientific method of making records of the “distances, directions and angles between two points,” on the ground, using agreed-upon reference points, called benchmarks, as a starting point for land surveying. These points are usually on the surface of the Earth and they are often used to establish land maps and boundaries for ownership or Governmental purposes surveying.

- 4.2.35 COMMERCIAL ART** - The course aims at developing creative abilities, artistic skills and understanding of human psychology in respect of preparation of advertising designs and broadly covers basic design, letter inland typography, press layout, illustration, sketching, poster design and study of life, nature and objects. The trainees in Commercial Art can work as commercial artists/ visualizers in advertising agencies or in government organizations, as an Artist with a publishing/newspaper house and also as Art and Craft Teacher in teaching institutes. They can also work as Graphic Designer in TV and film industry and as an Artist in the computer field.
- 4.2.36 COMPUTER OPERATOR & PROGRAMMING ASSISTANT (COPA)** - This Trade broadly covers Fundamentals of Computers, Hardware and Software concepts, Unix, M.S. Office, SQL and VB .NET ,Turbo C, Network & HTML, Internet & IT Act . Can take employment as Assistant Programmer with Govt. / Public / Private Enterprises.
- 4.2.37 CRAFTSMAN FOOD PRODUCTION (GENERAL)** - This course covers the complete knowledge in cooking of different cuisines of Indian, Mughalai & Western dishes. On successful completion of this course the trainees have an advantage of taking employment with Hotel Industry, start their own Restaurant / Catering.
- 4.2.38 SEWING TECHNOLOGY** - This Trade broadly covers knowledge on stitching garments of male, Female & children both Indian & Western designs. Thus the trainees are prepared for both self-employment as well as wage employment with Garment Exporters. Or they can become upholsters.
- 4.2.39 DESKTOP PUBLISHING OPERATOR** - The course has been designed to provide the in-depth knowledge in Digital Printing, Graphic Reproduction, Graphic Designing, adobe Photoshop, Adobe Illustration & composing Process. Thus the trainees are prepared for self-employment as well as Printing / Publishers /Medias.
- 4.2.40 DIGITAL PHOTOGRAPHER** - Trade broadly covers Digitalized images using scanners, digital camera and on-screen image capturing techniques, Explore, critique, and evaluate basic composition and aesthetic elements of photographic images, Edit and manipulate digital images using the industry-standard image editing software, Convert and compress digital images into appropriate file formats and store or archive correctly, Output digital still images to on-screen and printed presentations, Comply with industry ethics and standards related to the use of photographic materials. The trainees of this trade can work as Commercial Artists/ Visualizers in advertising agencies or in government organizations, as an Artist with a publishing/newspaper house. They can also work as Graphic Designer in TV and film industry and as an Artist in the computer field.
- 4.2.41 FASHION DESIGN & TECHNOLOGY** - The trade broadly covers Basic Fabric count and balance of fabric, Weaving, Knitting, Finishing, Dyeing and Printing, Laundering and care of different types of textiles, Basic processes for garment making, Textural combinations & Fashion Illustration. Understanding the fashion business, sketching and its perspectives, the various traditional embroideries, learning appropriate surface design of fabric and practicing as designers etc. One can take employment as a fashion designer with garment Industry.

4.2.42 HEALTH SANITARY INSPECTOR - The trade broadly covers Food & Nutrition, Water Sanitation, Air Sanitation, Noise, Refuse Disposal, Solid Waste Disposal, Night Soil Disposal, Liquid Waste Disposal, Sewage Disposal, Burial and Cremation Ground and Mass Casualty Disposal, Control Of Biological Environment, Sanitation Measures In Fairs, Festivals And Natural calamities –Mass casualty Disposal, Health Statistics, Public Health Acts, Public Health Administration and Personal Hygiene. One can take employment with Municipal corporations, Railways etc.

4.2.43 BASIC COSMETOLOGY-This course broadly covers the basic knowledge of anatomy, physiology and dietetics in relation to beauty, hair dressing and effects of cosmetics on human body. On successful completion trainees become capable to work as beautician, hair dresser, makeup artist, manicurist, pedicurist, hair stylist, slimming assistant, hair colorist and a yoga expert and can work at various beauty saloons and hotels. They can open their own beauty salons or practice as beauty consultants.

4.2.44 DRESS MAKING -This Trade broadly covers knowledge on stitching garments of male, Female & children both Indian & Western designs. Effectively work as a Designer to a Boutique, Stylist in Boutique, Consultant to a Boutique, Be-Spoke designer, Design Assistant in Export Units, Design services in e-tailing, Assistant Production Merchandiser. Thus the trainees are prepared for both self-employment as well as wage employment with Garment Exporters.

4.2.45 STENOGRAPHY & SECRETARIAL ASSISTANT (ENGLISH/HINDI) - The trade broadly covers and Emphasis on phonetic system, Explanation of consonants and vowels sounds. Short forms (Grammalogues), Note taking technique. Transcription technique and Vocabulary of new outlines on various, Daily transcription, weekly tests. Monthly assessment at the rate of 60, 80 to 100 wpm. After obtaining certificate the candidates are gainfully employed as a Stenographer/ Personal secretary in the various Private/ Public organization, News agencies & Government Department and Advertising Agencies.

4.2.46 FOOD & BEVERAGES SERVICE ASSISTANT- The course broadly covers the knowledge on mannerisms on how to serve Food & Beverages to the customers who visits Hotels / Guest Houses to attend Function or Stay in Hotels etc. Very good employment potential in Star rated Hotels in India & Abroad.

4.2.47 TEXTILE DESIGNING -The trade broadly covers the topics on different variety of fabrics and their structures, design, bleaching, dying, block printing, screen making & printing, traditional Indian designs and basic design of weaving etc. On successful completion, the trainees can be absorbed with leading garment manufactures, textile designers etc. in both India & abroad.

4.2.48 SURFACE ORNAMENTATION TECHNIQUES (EMBROIDERY) - A course which covers all types of design and embroidery related works like Motifs / patterns and Conceptualization developer , Aari (crewel embroidery) Embroider, Zig -zag (satin embroidery) Machine operator and Hand Embroider . On successful completion, the trainees can be absorbed with leading garment manufactures, Design Coordinator to Fashion Designer etc. in both India & abroad.

4.3 PROVISION OF LATERAL ENTRY SCHEME FOR ADMISSION IN DELHI POLYTECHNICS AND B.VOC

According to the AICTE, provision of lateral entry in polytechnics exists only for those Engineering Trades of ITI that have entry qualification of class 10th and are of two years (4 Sem.) duration, However, ITI pass outs of trades for which the entry level qualification for admission to ITI is 8th pass or the duration of ITI trade is less than Two Year shall not be considered for lateral entry.

As per guidelines of CET-2016 for admissions in Delhi Polytechnics, the lateral entry of candidates passing out from Industrial Training Institutions located in Delhi & affiliated to NCVT / SCVT is available. These trainees will be eligible for admission in Second Year (Third Semester) of Full-Time Diploma Engineering courses in analogous disciplines against 10% supernumerary seats earmarked for them subject to regulations or guidelines issued by the AICTE or the Government of NCT of Delhi.

Eligibility for Lateral Entry to 2nd Year Diploma: 12th Science with Vocational / **Technical or 10th + (2 year ITI)** with appropriate specialization.

Candidates passing 12th Science or 12th Science with Vocational or 12th Science with Technical or **10th + (2 year ITI)** with appropriate specialization in that order shall be eligible for admission to second year(Third Semester) Diploma courses of appropriate disciplines.

ITI Trades which are eligible for Lateral entry admission in Analogous Diploma Course's as per CET Delhi 2016.	
TRADE	ANALOGOUS DIPLOMA COURSES
Mechanic Motor Vehicle	Automobile Engineering
Electrician, Instrument Mechanic, Refrigeration & Air-conditioning Mechanic	Electrical Engineering
Surveyor, Draughtsman (Civil)	Civil Engineering, Civil Engineering (Construction Technology), Architectural Assistantship, Civil Engineering (PHEE)
Radio and TV Mechanic, Instrument Mechanic, Mechanic Medical Electronics, Information Technology & Electronic Maintenance System, Electronics Mechanic.	Electronics & Communication Engineering. Electronics Engineering. (Digital Electronics), Electronics Engineering (Medical Electronics)
Instrument Mechanic, Ref. & Air-conditioning Mechanic, Draughtsman (Mechanical), Tool and die maker (Press Tools Jigs and Fixtures), Tool & Die Maker (Die &Moulds), Turner, Fitter, Machinist and Machinist Grinder.	Mechanical Engineering, Mechanical Engineering (Maintenance Engineering), Production Engineering.
Tool & Die Maker (Press Tools Jigs & Fixtures) Tool & Die Maker (Die &Moulds)	Tool & Die Making

ITI passed out of are also eligible for direct admission in **Bachelor of Vocation (B.Voc)** in their relevant discipline course conducted by Guru Govind Singh Indraprastha University (IPU). For eligibility candidates may refer to IPU website.

5. SEAT ALLOCATION

5.1 SEATS RESERVATIONS

A. Candidates passing qualifying examination from Delhi Schools.	90%
B. Candidates passing qualifying examination from other states Schools.	9%
C. Wards of J&K migrants, (has to be registered with D.C. Office Delhi).	1%

5.2 RESERVATION CATEGORY-WISE

- | | |
|---|--------|
| 1) Female Candidates (all Co-ed ITI's) | 30% |
| 2) Scheduled Castes | 15% |
| 3) Scheduled Tribes | 7.5% |

5.3 WEIGHTAGE

1. Rural Area candidate subject to condition that Both the school and residence of the candidate should be located in rural area of Delhi. 5% of aggregate marks
 2. Defence Personnel Quota. 5% of aggregate marks
- * Subject to maximum one seat per unit per I.T.I.
- ** Subject to maximum one seat in each trade and each I.T.I.
- # under staff ward quota all the non-transferable staff working under this Directorate whether serving/retired or died during the service
- \$ Reservation of wards of Delhi Police and Delhi Govt. employees will be considered subject to completion of essential qualification from Delhi Only.
- ## Admission will be given only in courses for which the person certified to be able by the Vocational Rehabilitation Centre (VRC) of the Govt. of NCT of Delhi

Note: - Candidates seeking admission under Rural Area will have to get their candidature certified by BDO in the prescribed Pro-forma given at Annexure IX.

NOTE: The above reservations are subject to change without notice, as per the policy of the Government of N.C.T. of Delhi.

5.4 ADDITIONAL INFORMATION REGARDING RESERVATION:

1. All Reservation shall be as per the Delhi Government policy at the time of counseling and would be subject to any change/amendment made by the Delhi Government.
2. Any unfilled seat reserved for Scheduled Castes will be treated as reserved for Scheduled Tribes and vice-versa. The seats will be de-reserved for General Category only after exhausting the complete list of SC/ST candidates.
3. Any seat (reserved or general) remaining unfilled in Outside Delhi category will be transferred to Delhi seat of the same category. The order of conversion shall be Outside Delhi (Reserved Category) to Delhi (Reserved Category) & Delhi Reserved category to Delhi (General).
4. Benefit of reservation shall be available only if the category to which a candidate belongs is mentioned in the original registration form. If nothing is indicated by the candidate in the registration form, he/she may not be considered to reserved category.

NOTE 1:-

For admission to a seat reserved for Scheduled Castes/Scheduled Tribes/OBCs, the candidate should submit a certificate in original at the time of admission from the approved district authority, indicating the Scheduled Caste/Tribe/OBC to which the candidate belongs. A list of approved authorities is given below:-

- (a) District Magistrate / Additional District Magistrate / Deputy Commissioner / Collector / Additional Deputy Commissioner / Deputy Collector / 1st Class Stipendiary Magistrate / City Magistrate (not below the rank of First Class Stipendiary Magistrate), Sub-Divisional Magistrate / Taluka Magistrate / Executive Magistrate / Extra Assistant Commissioner.
- (b) Chief Presidency Magistrate / Additional Chief Presidency Magistrate / Presidency Magistrate.
- (c) Revenue Officer not below the rank of Tehsildar.
- (d) Administrator/Secretary to Administrator/Development Officer (Lakshadweep & Minicoy Island)

NOTE 2:-

Original Caste certificate in the name of the applicant from competent authority will have to be produced at the time of verification failing which the candidate will be considered under general category. If the admitted candidate fails to submit the caste certificate at the time of counseling his/her admission will stand cancelled. The category of the candidate would be determined based on jurisdiction of his caste certificate and qualifying state.

1. A candidate would be considered a Delhi candidate if his qualifying state is Delhi.
2. A candidate having qualifying certificate from other state would be considered as Other state candidate.
3. A candidate would be considered a Delhi category candidate (SC/ST/OBC) only if both jurisdiction of his caste certificate and qualifying state is Delhi.
4. Candidates with qualifying state other than Delhi and possessing Delhi jurisdiction Caste certificate (SC/ST/OBC) would be considered other state category candidate.
5. Candidates having Delhi qualifying state and possessing Category certificate of other state jurisdiction would be considered as Delhi General Candidate.
6. SC/ST candidates with qualification from other state and jurisdiction of caste certificate from any state would be considered other state SC/ST candidate.
7. OBC candidates qualifying from other state and jurisdiction of caste certificate from same state as qualifying state would be considered other state OBC candidate.

NOTE 3:-

- (1) Seats of boys/girls are inter-transferable within ITI, if sufficient numbers of girls are not available in Co-Ed Sections.
- (2) Concerned certificate of candidate claiming reservation under Delhi category seats will be from the competent authority of Delhi jurisdiction. Certificate of candidates claiming reservation against seats allocated for outside Delhi candidates, will have to furnish the certificate from the competent authority, to establish their eligibility for reservation under the concerned reservation category.
- (3) Physically disabled candidates must produce a certificate of medical fitness from Vocational Rehabilitation Center, Plot No. 9, 10 & 11, Karkardooma, Vikas Marg, Delhi-110 092
- (4) Candidates seeking admission under Defence Personnel Quota should produce a certificate from Distt. Sainik Board in the standard format i.e. (i) Secretary, Kendriya Sainik Board, Delhi. (ii) Secretary, Rajya / Zila Sainik Board., (iii) Officer-in-Charge, Record Office of concerned service for serving personnel.
- (5) Candidates seeking admission under Staff Ward Quota must produce a certificate from Head of Office for proof of being staff ward.
- (6) Candidates seeking admission on the basis of 8th class pass should get a certificate attested by the principal of last attended school as per Annexure VIII.
- (7) Candidates seeking weight age under Rural Area will have to get their Rural area certified by BDO in the prescribed Pro-forma given at Annexure IX.
- (8) No request for change of category would be attended after verification of documents for whatsoever reason. Candidate shall not be entitled for the refund of verification fee/tuition fee after admission under any circumstances.

- For registering the candidate would have to click the “NEW CANDIDATE REGISTRATION” option available on the home page of the web site and then fill his correct details.
- After successful registration candidate received a SMS of their ID No. & Pass word on their registered phone number.
- The candidate should be extra careful while filling the following details as these details would be further used for calculating his rank and further allotment of seat. If any erroneous/incorrect information is later found, it could lead to cancellation of seat allotted to the candidate and other necessary actions may be taken against him as deemed fit by the ITI/CAO/DTTE.
- Candidates qualifying Marks/Grade: While registering the candidate would have to first click on the correct radio button according to whether his/her certificates are in grades or marks. Under no circumstances the candidate should fill marks in grades column or vice a versa.
- While filling in his marks or grades the candidate should enter all subject marks. If a candidate is absent in an exam then he must enter it also and show him as fail. In case of CBSE, if grades E1 OR E2 are given then their corresponding grade points will be deemed as 3 for E1 grade and 2 for E2. If a candidate is absent in a subject then his grade points would be deemed as 0. **The candidate has to compulsorily select E1, E2 and A in relevant subject if he/she has received these grades in the qualifying examination applicable.**
- State of Candidate: As per I.T.I admission policy the state of the candidate is one from which he/she has acquired the qualification. Like if a candidate stays in Delhi but has passed his qualifying examination from any place other than Delhi then he/she would be considered outside Delhi candidate and if a candidate passes his qualifying examination

from Delhi and stays outside Delhi even then he/she would be considered Delhi candidates. A candidate could be Delhi candidate in one qualification (8th or 10th) and outside Delhi from other qualification.

- Candidate should enter his name, father's name, mother's name and date of birth exactly as mentioned in his qualifying certificate.
- 30% seats are reserved for women in co-ed institutes so gender column should be correctly filled by the candidate. If a male fills him as female then he may be allotted a seat as a woman and on detection his admission would get cancelled. Similarly female filling herself as male will stand to lose her 30% reservation in male institutes and admission in all women courses and institutes.
- For claiming the benefit of reservation the candidate should have passed from school located in rural school of Delhi and also his residence should be in rural area.
- The candidate should take the printout of the filled Registration Form. The candidate has to remember registration number allotted and password during registration.
- Candidate can correct his/her particulars in Registration Form by logging in the form, using the Registration Number and Password already allotted by clicking at "**Already registered users**" and using the option "**EDIT REGISTRATION MODULE**".
- Thereafter, candidate shall have to visit the nearest Govt. ITI for the verification & depositing registration fees of Rs. 200/- in cash. Candidate should carry his original documents for verification along with a copy of all the relevant documents (self-attested) by the candidate to be submitted at the time of verification to the Government ITI.
- The registration is one time process and it will be valid for all round of counseling. Therefore candidate must fill his/her choices very carefully. However, you may only be allowed to change your trade/ITI choice before each round of counseling. Total four round of counseling will conducted.
- Thereafter, tentative rank list would be prepared on the basis of Marks / Grades obtained by the Candidate in the qualifying examination. The candidate must thoroughly check his details in the list and if he finds anything incorrect then he must come in person at Help-Desk of the ITI wherever he has verified & submitted his/her documents. Corrections / Objection if any, to be submit within stipulated time as per schedule provided in the website.
- Final rank list would be displayed after incorporating the valid correction. Candidates are advised to thoroughly check their details in the tentative merit list and after that candidate won't get any chance to correct his data.
- Thereafter candidate have to login and now the candidate can fill the various trade/ITI choices available as per his/her eligibility in order of preference (i.e. preferred trade/ITI choice to be given as 1st preference and followed by least preferred choices. There is no restriction in number of choices and a candidate can fill as many choices as she/he likes from the available choices.
- After filling the choices, the candidate must save the filled choices by **Save Choice or Save & Exit button**.
- Thereafter, in the First Round of Counseling, seat would be allotted to the candidates by considering their rank, category, sub-category as per choice filled where seat is available. The Candidates can generate and get printout of his/her own Allotment Letter by login on the website within stipulated time.

- The selected candidate of counseling MUST report with printout of downloaded “Allotment Letter” and deposit full fee in cash to the allotted ITI for accepting the admission (up gradation or freezing trade); otherwise his/her registration would not be considered for subsequent Rounds of Counseling for admission.
- If the candidate is satisfied with the seat allotted, he/she has to freeze his allotted seat by visiting the allotted ITI with all original certificates, photocopy of all relevant documents and depositing full course fee as per table no:11 of prospectus.
- If the candidate does not want to freeze the allotted seat, then he would have to visit the allotted ITI with copy of allotment and filling the up-gradation/hold form. Then would be considered for next higher preference in the second round of counseling subject to availability of seats.
- In the next subsequent round of counseling, If he/she get new seat as per his/her re-choice, then he/she will have no claim over his/her previously allotted seat.
- In case, seat as per his/her new choice is not allotted, the candidate will remain on previously allotted hold trade/ITI.
- In case NO SEAT is allotted, then the candidate will automatically participate in the next Round of Counseling.
- If there is mistake in personal details of candidate then it will be his/her own responsibility and DTTE/ITI cannot be held responsible for the same. However he/she is advised to report the same at our email id caoscvr2016@gmail.com at the earliest.
- If due to some unforeseen reason wrong allotments are made then DTTE/ITI reserve the right to take suitable corrective measures including cancelling and reallocation of wrongly allotted seats in the same or subsequent counseling rounds. In this case the decision of DTTE/ITI will be final and binding to all parties.
- If something goes wrong with the admission process due to any reason, then DTTE/ITI reserves the right to correct it by taking suitable remedial actions as deemed fit by them. DTTE/ITI will not be responsible for any loss to candidates in such a situation.

All disputes will be subject to Delhi jurisdiction only.

- Admissions in Minority Skill Development Programme (MSDP) (For Minority Women Only) at ITI Nand Nagari will be done Off Line; candidates seeking admission in this institute may contact Principal ITI Nand Nagari.

10. CRITERIA FOR CALCULATION OF MARKS PERCENTAGE

The following criteria to be followed while entering marks /grades for registration of various boards:-

1. If both marks and grades are given on the marks sheet for same subject then only marks are to be considered.
2. Only grades of CBSE mark sheets are to be filled in grades section of the online line admission software. For other board's marks sheet (except CBSE), the grades/grade points are to be converted to corresponding marks by using the conversion factors given in the mark sheet and filled in marks column.
3. If a candidate is absent in a subject then that subject is also to be considered for admission. In place of marks obtained the candidate should enter "A".
4. If a candidate is fail in a subject then its marks are also to be entered.
5. The following points must be considered while converting grade/grade points into marks and vice a versa and verifying the marks /grades of the candidate:-

FOR MARKS SHEETS OTHER THAN CBSE BOARDS FOR 8TH & 10TH :

Marks sheet (except CBSE) the grades/grade points are to be converted to corresponding marks and filled in marks column.

1. **FOR MARKS SHEETS CONTAINING GRADE POINTS:** The aggregate percentage of marks of all subjects including optional subjects after conversion from grade points according to respective conversion calculator shall be taken into account if possible, in consideration to the single conversion factor for a given mark sheet and vice versa. For conversion candidate should consider the conversion calculator of that respective board and if range of marks are given then take the average of marks as to consider as marks obtained.
2. **FOR MARKS SHEETS CONTAINING GRADES:** The aggregate percentage of marks of all factor for a given marks sheet and vice a versa. Subjects including optional subjects after conversion from grade according to respective conversion calculator shall be taken into account. If possible, in consideration to the single conversion. For conversion candidate should consider the conversion calculator of that respective board and if range of marks are given then take the average of marks as to consider as marks obtained.
3. **FOR MARKS SHEETS CONTAINING MARKS:** The aggregate percentage of marks of all subjects including optional subjects for which marks are given If possible , in consideration to the single conversion factor for a given marks sheet and vice a versa.

In case no calculators are available or any confusion help desk of any Govt. ITI may be contacted for guidance.

For CBSE marks sheets the following factors should be considered:-

1. Enter grade points (GP) in the grades option of online admission software.
2. All the marks or grades of the candidate should enter.
3. If a candidate is absent in an exam then he/she must enter it as "A". In case of CBSE, if grades E1 OR E2 are given then their corresponding grade points will be deemed as 3 for E1 grade and 2 for E2. If a candidate is absent in a subject then his grade points would be deemed as 0.

10.1 Generation of Unique Rank for ITI Counseling

The rank of the candidate would be generated by calculating percentage of marks/grades secured by the candidate in qualifying examination and arranged in decreasing order. If two or more candidates are having same percentage/grade then, the **following tie breaker** criteria would be used in sequence to allot them distinctive ranks:-

1. **Date of Birth:** The candidate higher in age would be allotted the higher rank.
2. **Science marks** in descending order: If tie is still not broken then the candidate scoring higher marks in science would be allotted the higher rank.
3. **Social Science:** If tie is still not broken then the candidate scoring higher marks in social science would be allotted the higher rank.
4. **Language:** If the tie is still not broken then the candidate scoring higher marks in language will be allotted the higher Rank.
5. **Alphabetic order of Candidate Name:** If tie is still not broken then the candidates name letters would be considered alphabetically in ascending order.
6. **Father's Name:** If tie is still not broken then the candidates father's names letters would be considered alphabetically in ascending order.
7. **Mother's Name:** If tie is still not broken then the candidates mothers' names letters would be considered alphabetically in ascending order.

However, if still the tie does not break then CAO reserves the right to develop and implement further suitable criteria for distinguishing the rank of tied candidates.
