TENTATIVE PROCESS FOR FILLING OF CHOICE AND SEAT ALLOTMENT THROUGH ONLINE COUNSELLING

1. The candidates will fill their choices of the College in order of preference online on the RMCAAT-2016 website. Maximum preferences may be filled by a candidate. A candidate will be able get a print of the option form filled by him/her with all the preferences.
2. The basic principle of seat allotment is to allot the highest preference of the candidate. As the total seats are divided into various quotas, and seats may remain vacant in one quota, candidates standing higher in merit will be re-considered for these seats before allotting these to the candidates standing lower in the merit. This requires multiple iterations of allotment and an allotment cannot be declared as final allotment till all the possibilities have been explored?
3. The allotment will be carried out on the basis of merit in RMCAAT-2016 and availability of seat. The general merit will be used for allotment of seat.
 - a. A candidate belonging to reserved category will get a seat from general quota if he/she secures higher rank.
 - b. A candidate belonging to reserved category will be allotted seat from reserved quota if he/she does not get higher preferences out of the general quota.
 - c. A candidate belonging to reserved quota getting a lower preference will be allotted seat in first iterations temporarily. The allotment will be confirmed only after the next step related to conversion of seats under one quota to another quota as per details below:

S.No.	Quota	Will be converted to
1.	SC- F	SC-Open if no candidate belonging to SC-F category is available.
2.	SC	ST-Open if no candidate belonging to SC is available.
3.	ST-F	ST- Open if no candidate belonging to ST-F category is available.
4.	ST	SC- Open if no candidate belonging to ST is available
5.	All seats under SC and ST will be combined and candidates belonging to SC/ST category will be allotted seats out of this quota. Any seat left vacant after these conversions will be converted to general quota female.	
6.	In case seats for Females in the general category remain unfilled then, the same will be shifted to General quota and may be allotted to the male candidates as well.	

- d. A candidate belonging to reserved category getting lower preference in his quota will be given a final chance on the basis of his overall merit.
 - e. Since the reservation for the candidates belonging to the special category-II (PH (3% of total), EX-S-I, II, III and IV (3% of total seats)) is horizontal, they will be allotted seats of their choices by removing the last candidates who has been allotted the seat in the desired college provided that the quota of seats for this category is not already filled.
 - f. Seats for the KM category over and above the normal seats in the colleges. The candidates belonging to this category will be allotted seats maximum up to 5% of the total seats over and above the allocated seats in each of colleges. The private institutions will also be covered under this reservation criterion.
4. Candidates belonging to general category will be allotted seat by performing multiple iterations.
 5. All the candidates will be required to report at the allotted institute within a prescribed time.

6. The next step is moving the candidates upward in their preferences by shifting of candidates on the seats falling vacant due to non-reporting by the candidates on allotted seats.
7. Online consent will be obtained from the candidates for participation in the upward movement process. Only the preferences above the preference of earlier allotted institute will be considered for shifting. The shifting will also be on the basis of merit cum availability.
8. All above process for filling choice and seat allotment will also be same for lateral entry.
9. A final list of candidates admitted to each college will be available on the web site.
