As the Chancellor of Bharati Vidyapeeth (Deemed to be University) I extend a very warm welcome to the students who are desirous of seeking admission in our different Constituent units.

Bharati Vidyapeeth, the parent organization of this University has recently celebrated its Golden Jubilee. Five decades ago Bharati Vidyapeeth initiated its academic journey with a single school. Now it is one of the premier educational institutions in the country, having under its umbrella more than 180 educational units including 80 colleges of 12 faculties. They include colleges of Medicine, Dentistry, Engineering, Pharmacy, Hotel Management and the like. There may not be any disciplines either conventional or emerging for which Bharati Vidyapeeth has not established its institution.

Within a short period of 20 years or so, Bharati Vidyapeeth (Deemed to be University) has established its academic reputation even across the national borders. Its high level of academic excellence is underscored by the fact that the Ministry of Human Resource Development, Government of India has given 'A' grade status to this University. The University's another remarkable achievement is that it has been re-accredited with

prestigious 'A+' grade by NAAC. An approval by the UGC under Section 12B of its Act which our University has received is another feather in the cap of the University.

We at this University are committed to offer our students a wide spectrum of academic options to choose from.

It has also been our endeavour to provide continuously updated education in a congenial environment to our students. I am very happy that a very large number of our past students have established their reputation as Medical Practitioners, Engineers, Pharmacy Industrialists and the like, not only at the national level but also at the international level. Research is a focal area of activities of our University. We have three Research Institutes as constituent units of University. They are doing remarkable work. ## *Vice - Chancellor Message*

### **Hon'ble Prof. Dr. Manikrao Salunkhe**

VICE - CHANCELLOR

Bharati Vidyapeeth (Deemed to be University) Pune

It is a matter of immense pleasure for me to be a part of Bharati Vidyapeeth (Deemed to be University) family as its Vice Chancellor. I take this opportunity to welcome the new students joining the various courses of the university. The students moving away from the folds of their family and coming to a new place for education should feel that they are just moving away from one family fold to another. Their teachers, seniors and peers, all form an extended family from whom they can look up for any guidance, support and help to move ahead in life as professionals in the study programmes they have opted.

Realising the huge need of trained nurses in the expanding healthcare systems at regional as well as national level, the College of Nursing, Pune was established in 1992, one of the first nursing college in the non-government sector in the region. The college entered into collaborations with several international universities and organizations for faculty and student exchange programs and international internship programs.

The College of Nursing, Sangli was established in 2007. Within a short span of a decade, the college has created a niche for itself. The College of Nursing, Navi Mumbai established in 2009, located at a convenient location at Navi Mumbai between Pune and

Mumbai has an added advantage of its location. Alongwith classroom teaching, all the three nursing colleges incorporate innovative teaching methods, such as comprehensive exposure to community health experience in public health centres, earn and learn scheme, providing hands on exposure to students.

As a student of Nursing, you are the torch bearers of the institute to carry the message of sustainability towards the healthcare practices. I wish and assure you, on behalf of the University family, that we will help you pursue your objectives of life under the varied social, cultural and economic environment and make the University family proud of your attainments.
