INTRODUCTION

VIT is emerging as a benchmark for continuous journey towards excellence, among the institutions of higher education in the field of technology in the country. Its values of equality, transparency and healthy collaboration have been ably guided by the leadership of its founder **Dr. G. Viswanathan**, renowned for his principled life devoted to public service.

The ubiquitous sense of joy and enthusiasm observed in the campus bears testimony to the positive learning and living experiences enjoyed by every student at VIT. Ours is a place where opportunities for learning as well as recreation are maximized and distractions are minimized.

VIT Students get to feel the taste of a border less world through a heterogeneous mixture of students from across the globe, who have made VIT as their institution of choice.

FULLY FLEXIBLE CREDIT SYSTEM [FFCS]

As part of continuous improvement in providing quality education, VIT University introduced the Fully Flexible Credit System (FFCS™) into its academic curriculum. By this, the students can register for courses of their choice and alter the pace of learning within the broad framework of academic course and credit requirements. FFCS™ allows students to decide their academic plan and permits students to alter it as they progress through their course. The slot-based timetable, coupled with internet based Course Registration in each semester, helps individual students to choose the course they want to study, time of attending a class and even the teacher. Thus, students can make their own timetable and each student in a class may have a different timetable of his / her own.
