(GITAM MEDICAL ENTRANCE TEST)

A University Committed to Excellence

About GITAM University

Gandhi Institute of Technology and Management, popularly known as GITAM is a University excelling in higher education having a track record of 35 years in teaching and research of global standards. The University with its main campus on the picturesque Rushikonda beach in Visakhapatnam has two off campuses in Hyderabad and Bengaluru. All the campuses are situated amidst sylvan surroundings in a pristine ambience for peaceful pursuit of education. The vision of the University is to become a global leader in higher education. Its mission is to impart futuristic and comprehensive education of global standards with a high sense of discipline and social relevance in a serene and invigorating environment, contributing for the development of a knowledge and skilled society in the country.

GITAM today ranks among the top universities in the country in terms of academic and research output. With a multi-disciplinary approach, the University is currently offering 123 programmes at under-graduate, post-graduate and doctoral levels in diverse disciplines such as Technology, Architecture, Pharmacy, Science, Management, International Business, Humanities, Law, Gandhian Studies and Medicine. The following are the constituent institutions/schools of the University at its campuses:

Visakhapatnam campus

- ❖ GITAM Institute of Technology
- ❖ GITAM Institute of Management
- ❖ GITAM School of International Business
- ❖ GITAM Institute of Science
- ❖ GITAM Institute of Pharmacy
- ❖ GITAM School of Architecture
- ❖ GITAM School of Law
- ❖ GITAM Centre for Distance Learning
- ❖ GITAM Centre for Gandhian Studies
- ❖ GITAM Institute of Medical Sciences & Research

Hyderabad Campus

- ❖ GITAM School of Technology
- ❖ Hyderabad Business School

Bengaluru Campus

- ❖ GITAM School of Technology
- ❖ Bengaluru School of Management Studies

The University with over 17,000 fulltime students, about 1200 research scholars and more than 30,000 distance learners, is one of the largest deemed universities in the country. The University has about 1100 well qualified and committed faculty of high academic profile with research and industrial background. They are continuously engaged in major research projects in various thrust areas with the financial assistance from UGC, DBT, DST, DRDO, CSIR, MoES, BARC, HPCL, etc. Memorandums of Understandings (MoUs) are inked for collaborative work in multidisciplinary areas with premier research organizations and international universities of repute.

Over the years, the University made substantial progress in its academic activities on par with reputed national institutes. The students from GITAM have exhibited a greater presence in pursuing higher studies in prominent institutions in the country and abroad. The University is making concerted efforts to establish linkages with industry majors, research institutions and reputed universities across the world. The Knowledge Resource Centre (fully air-conditioned University Library) with a rich treasure of books, journals and e-resources, is one of the best equipped libraries in South India. Sophisticated computers, internet facility, 1.5 Gbps (1500 Mbps) internet bandwidth connectivity and Wi-Fi facility are provided in all the three campuses for the benefit of students and faculty. In order to strengthen the application of ICT in academics, research and administration, the University has established a state-of-the-art Data Centre with a super-computer.

Recognizing the holistic education the University is imparting, the Ministry of Human Resource Development, Govt. of India has ranked GITAM as 'A' category University amongst the universities of its kind. The University is accredited by NAAC with 'A' grade. GITAM is one of the universities that has been accorded 12-B status by the University Grants Commission (UGC) which has given an added thrust to the research activities.

GITAM University is a preferred choice of the students from almost all the States in the country for pursuing quality education because the students graduating from GITAM University are among the preferred lot by many top-notch companies both in IT and core sectors. The University is one among the few universities that provide near 100 per cent placement. The students are provided with career guidance and placement services to enable them to find lucrative employment in renowned multinational corporations with attractive packages.

It is a matter of great pride that the alumni of the University occupy prominent positions in prestigious institutions and organizations all over the world and some of our alumni are highly successful entrepreneurs. The alumni associations of GITAM located both in India and abroad help the students by giving guidance for higher studies and placements abroad. In addition, one of the GITAM's alumni associations GANAM, New Jersey, USA, has been undertaking various socially relevant activities in times of natural calamities for the past several years in USA and India and won accolades for their services.

About GITAM Institute of Medical Sciences and Research (GIMSR)

GITAM Institute of Medical Sciences and Research (GIMSR) is established by GITAM University to provide quality medical education of global standards. The MBBS program is being offered by GIMSR, GITAM University at Visakhapatnam campus with permission from Medical Council of India (MCI), Ministry of Health & Family Welfare, UGC and MHRD, Govt. of India from the academic year 2015-16.

The University, as part of its social responsibility, has established a state of the art multi specialty hospital to provide quality health care facilities to the people at affordable cost. The Hospital is designed for a patient friendly ambience to accommodate 750 beds with 20 operation theatres and over 100 ICU beds. In a short span of a few years, the medical facilities are effectively being used by the public. The GITAM Hospital is strategically located on the shores of the Bay of Bengal surrounded by urban and semi-urban areas. Even people from rural hinterland and neighboring states frequent the hospital for their healthcare. The Hospital is within the reach of both the urban and rural population. It is well connected with public transport facility.

Presently, the hospital is operational with 360 beds with all basic specialties like Medicine, Surgery, Obstetrics, Gynaecology, Orthopaedics, Ophthalmology, Paediatrics, Dermatology, ENT, Psychiatry, Pulmonology, Physiotherapy, etc. Five operation theatres are catering to the needs of various specialties. The out-patient departments are run by qualified specialists. The emergency medicine and trauma departments are working round the clock. It is adequately equipped to deal with all emergencies. The Intensive care unit is well equipped with monitors, ventilators and other supportive systems for giving necessary treatment to the critically ill-patients. The well established and state-of-the art central clinical laboratory and modern blood bank facilities are available for handling all types of elective and emergency medical and surgical problems. The Hospital will be upgraded in course of time to a full-fledged 750 beds hospital with all basic and super specialty departments to take care of tertiary medical problems.

The Medical College building adjacent to the Hospital is fully functional with all modern facilities adhering to the norms of Medical Council of India (MCI). The student labs, classrooms, library, auditorium and research labs are all designed on par with the most advanced institutions in the country.

A modern hostel accommodation separately for boys and girls is made available for their comfortable stay and pursuit of education.

Admission to MBBS Program

Name of the Program	Duration	Eligibility	No. of Seats

Subject	Number of Questions
Biology:	
Botany	40
Zoology	40
Chemistry	40
Physics	40
Total	160

Standard of Examination

The general standard of the GMET-2015 will be that of 12th class under the 10+2 Scheme or Intermediate or equivalent.

Syllabus and Sample Questions

The detailed syllabus and sample questions of Biology (Botany & Zoology), Chemistry and Physics are given in **Annexure-I&II** of the Prospectus, which can be downloaded from www.gitam.edu

Medium of Language of Question Paper

English only

Scheme of Marking

1. Each correct response will get a score of one mark.
2. No credit will be given for the questions not answered.
3. The score so obtained by the candidate will be used to determine the rank in the test.

Method of Resolving Ties

The overall merit / ranking shall be based on the Total Score.

The method adopted for breaking ties (similar marks) shall be:

1. **Biology:** Higher scores in Biology (Botany & Zoology) will result in higher ranking.
2. **Chemistry:** If Biology scores do not break the tie, higher scores in Chemistry will result in higher ranking.
3. **Physics:** If Biology and Chemistry scores do not break the tie, higher scores in Physics will result in higher ranking.
4. **Age:** If Biology, Chemistry and Physics scores do not break the tie, the candidate elder by age will be ranked higher.

Summary of Test Pattern

1.	Mode of Test	Objective type with OMR Answer Sheet
2.	Duration of Test	3 hours (Three hours)
3.	Date of Test	11th September 2015
4.	Timing of Test	2.00 PM to 5.00 PM
5.	Test Centre	GITAM University campus, Visakhapatnam
6.	Medium of Language of Test	English
7.	Type of Test	Objective Type with Multiple Choice Questions
8.	Number of Questions	One Paper of 160
9.	Distribution of Questions	Biology: Botany 40 Zoology 40 Chemistry 40 Physics 40 Total <u>160</u>
10.	Marking Scheme	Correct Answer : One mark (1) Incorrect Answer : 0 Unanswered : 0

Counseling for Admission

Merit List

1. Based on the result of the GMET-2015, merit list of the candidates will be prepared.
2. The Counseling for admission to MBBS course will be held at GITAM University, Visakhapatnam campus on 18th September, 2015. Details of the schedule will be intimated in the counseling call letter which can be downloaded from www.gitam.edu.
