MESSAGE

Dear Students and Parents,

Welcome to Association of Combined Entrance Examination (ACEE).

Choosing an institute is one of the most important decisions that you will ever make for your carrier. It can be the key that opens the door to a lifetime of opportunities for growth and service. We want you to base your choice on relevant and reliable information, how well it turns

out for you will depend primarily on the effort you invest in your own intellectual and professional development. Invest wisely and be assured that faculty and staff pledge their best efforts in helping you to attain your educational goals.

As you pursue your studies, please remember that a college education is not entirely academic. It extends beyond the classrooms, laboratories and workshops to campus organizations, seminars and meetings, cultural and social activities and athletic events. I hope that you will become involved in the college campus life and that you will also make some commitment to serve your community. Besides being a cause for campus and community development, the effort can be educationally rewarding and personally fulfilling.

Finally, I hope that you will take pride in your choice of college as the members of faculty in these institutions are known for their vast experience, academic achievements and teaching abilities.

Wish you great success!

Dr. A.K. Kamboj
President, ACEE
Chairman, Uttaranchal Ayurvedic College,
Dehradun.

Dear Aspirant,

I congratulate you for choosing to pursue graduation course in Medical/Dental field for the coming session 2015. The Association of Combined Entrance Examination (ACEE) is an association formed by unaided private medical, dental, ayurvedic, & Homeopathic colleges of Uttarakhand, which would be conducting CPMEE-2015.

ACEE brings together at one place reputed colleges from different streams and specialities under one umbrella. Its an opportunity for aspiring students as they get multiple choice to select a course for building of their carrier based on their merit. Our mission is to provide a strong foundation for your bright future.

I am sure you will definitely take advantage to study in our state of art internationally acclaimed institutes in Uttarakhand state.

The opportunity to apply to CPMEE-2015 is available for both national & international students without any requirement of a domicile.

"Study to learn, what you learn today, is what you will become tomorrow. Success is the sum of small efforts, repeated day in and day out. Successful people keep moving. They make mistakes, but they never quit."

With best wishes to all!

Dr. Anirudh Singh
Secretary, ACEE
Director, Seema Dental College & Hospital,
Rishikesh.

Uttaranchal Ayurvedic (PG) College (UAC) Rajpur, Dehradun, Uttarakhand

Uttaranchal Ayurvedic PG College is one of the prestigious Institutions in India for learning Ayurveda, the ancient Indian system of Medicine and is the first private educational Institution established in the Uttarakhand state way back in 2001. This institution has been offering BAMS degree for last 14 years and has initiated PG (MD Ayurveda) in four subjects from session 2012, and is recognized by CCIM & Ministry of AYUSH New Delhi, affiliated to Uttarakhand Ayurved University, Dehradun and approved by Uttarakhand Govt.

Since its establishment, Uttaranchal Ayurvedic College and Hospital has preserved the faith in this traditional system of medicine of country and is committed to flourish its essence in the society by the way of providing the quality medical education in this progressive sector on the bedrock of the visionary outlook, conscientious guidance and exhaustive leadership of chairman, Dr. A. K. Kamboj.

The institution is located in the prime location of Dehradun, the capital of Uttarakhand and is spread over 5 acres of land with the lush green ambience and serene environment which offers an ideal place for higher learning and contemplation. The peaceful hills surrounding are situated at a height of 3500 feet promoting the physical growth and intellectual development of students especially in the field of Ayurveda. The college has a huge campus comprising of Academic block, Hospital, Pharmacy, Herbal Garden and Hostel as well as residential complex for faculty members, staff quarters and guest house. The college has 14 fully equipped departments as per CCIM Norms. The academic block constitutes the main college building having the different clinical and non-clinical departments, class-rooms, auditorium with audio-visual aids, dissection hall, anatomy museum, well equipped laboratories, well-maintained library and a separate administrative wing. A holistic approach to serve the ailing humanity is among the foremost objectives of the Institution. In this direction, Uttaranchal Ayurvedic Hospital has been established and is a unique multi-disciplinary hospital providing health care services through integrated approach.

The 100 bedded new constructed hospital block has developed the specific approach for treating chronic & intractable diseases by using the famous Panchkarma therapy of Ayurveda & herbal medications, utilizing highly skilled and trained specialists through outdoor & indoor services. Different therapeutic units like Panchkarma, Obesity Clinic, Kshar Sutra, Physiotherapy, Eye, ENT & Dental Unit are there along with special intensive care therapy. Different facilities like aseptic operation theatre, Special treatment of Bhagandhra (Piles & Fistula-in-ano) without operation, pathological lab, 24 hours emergency & ambulance facility, X-ray unit etc. are available.

Consistency with its social welfare activities, the institute has adopted nearby village Johri Gaon for healthcare activities.

This Institute has organized number of national & international seminars, workshops, conferences, medical camps, yoga camps and different projects of Department of AYUSH, New Delhi such as CME, Awareness Programme in different field which the student can take up while doing their degree programme, to enhance their employability skills, under the dynamic guidance of Dr. Umesh Shukla, Principal and Dr. Loveleen Kaur, Vice Principal. Excellent results, University positions and job placements are regular feature and tradition of our college.

Our philosophy is to produce hardcore professionals who would be fine human beings also. We leave no stone unturned to equip you with the requisite knowledge and skills to become professionally competent and develop your inherent traits to become a responsible citizen and a leader of high moral standing under the progressive approach of young Director, Dr. Sumit Kamboj.
