#### **14. Resolving of tie and Preparation of Rank list**

#### **15. Falsification of Certificates**

Furnishing of false certificates or particulars would result in forfeiture of the candidature as well as cancellation of admission to the course.

#### **16. Centralised Allotment Process (CAP) and Online Submission of Options**

The Centralised Allotment Process will be done through the **Single Window System (SWS)** to give allotments to the various courses, based on the options submitted by the candidates who have been included in the rank list of the LL.M courses for the year 2015-16, conducted by the Commissioner for Entrance Examinations (CEE), Kerala. This is a system of 'Allotments through Online Submission of Options'. The options are willingness of a candidate who qualified with a rank in the rank lists of LL.M Entrance Examinations in the year 2015-16 to join a course-college combination prioritized as per his/her aspiration and desire subject to the LL.M-2015-16 Course. The CAP through which the Options are registered is a simple and transparent process of allotment to the LL.M Courses and it gives the candidate an opportunity to exercise his/her options for courses and colleges of his/her choice conveniently in the order of his/her preference considering all those available to be chosen from. The allotments will be strictly based on the options exercised, the rank obtained and eligible reservations of the candidate. **Candidates should register options only to those courses/colleges which they are sure to join on allotment. If the candidate fails to remit fee/join the college, he/she will not be eligible for any further allotment in any stream.**

- 16.1 (a)** The online Centralized Allotment Process will be done by the Commissioner for Entrance Examinations (CEE), Kerala, with the technical support of the National Informatics Centre (NIC).
- (b)** Seats in the four Government Law Colleges and Government merit seats in private self-financing law colleges to be allotted by the Commissioner for Entrance Examinations will be included in the CAP and will be done as per the provisions of allotment.
- (c)** Candidate to register options: Options can be registered only through the website, [www.cee.kerala.gov.in](http://www.cee.kerala.gov.in). Candidates included in the LL.M Course 2015-16 rank list will have to register their options in the 'Home Page' of the candidate through the website within the stipulated period of time. Candidates can access this website and follow the instructions given therein to register their options for colleges. *Options submitted to the CEE by Fax, Post, Hand Delivery etc., will not be processed or considered on any account for allotment of seats.*
- (d)** Time schedule for registering options: The facility for registering of options will be available only during the period specified in the notifications to be issued by the CEE. Wide publicity will be given through electronic and print media regarding the schedule and related matters. The facility will be withdrawn once the time period is over and candidate will not have access to this facility after this time period. *A candidate, not registering his/her options as per the time schedule announced, will not be considered for allotments under any of the seats available then, irrespective of his/her rank.* No extension of time will be granted under any circumstances for registering options.
- (e)** Eligibility for registering options: Only those candidates included in the Rank List published by the CEE for LL.M Course 2015-16 based on the Entrance Examination are eligible to register their options online. Moreover, the candidates registering their options should satisfy all the eligibility conditions with regard to Academic qualifications (Clause 4), Nativity (Clause 5, etc., of the Prospectus for admission to LL.M Course 2015-16. Academic eligibility should be satisfied on the date of admission to the Course.  
***Principal/Head of the Institution will be personally responsible for verification of eligibility conditions as prescribed in the Prospectus, when the candidate reports for admission. Only those candidates who are found to be qualified as prescribed shall be admitted to the college/institution, irrespective of the fact that he/she has an allotment through the SWS.***
- (f)** Essentials for registering options: Candidates should have particulars such as **Roll Number, Application Number, Key Number and Password** of LL.M Course 2015-16 assigned to them in order to register their options on the website.
- (g)** Procedure for Registering Options : Any candidate, who wishes to register his/her options, should have the '**Roll Number', Application number, Key number and Password**' readily available with him/her. The candidate must also have access to internet facility. The candidate should follow the procedure given below for registering options:
- (i)** Accessing the website: The candidate can access the website, [www.cee.kerala.gov.in](http://www.cee.kerala.gov.in) from any computer having internet facility. The platform can be Windows-based or Linux-based and latest version of Mozilla firefox will be sufficient.
- (ii)** Logging on to the Candidate's Home page: The candidate can log on to his/her home page by entering the details (i.e., Roll number, Application number and Key number) correctly. Roll

number is a *five-digit* number allotted to the candidate to appear for the Entrance Examination for Admission to LL.M Course 2015-16. Application number is a *seven-digit* number printed in the Admit Card issued by the CEE to the candidate. Key Number will be provided to all candidates, which should not be disclosed to others to avoid misuse, for which the CEE/Government will not be responsible. (All these numbers are candidate specific and hence are available only to the candidate).

If the system finds that the one who has requested for 'login' is the genuine candidate, the candidate will be directed to his/her 'Home Page'. If any discrepancy is observed by the system on these credentials, the candidate will not be permitted to proceed further, in which case the candidate may recheck the entries made or contact the Office of the Commissioner for Entrance Examinations for further instructions.

(iii) Colleges available for registering options: The list of Colleges for allotments through the SWS will be available in the Home page of the candidate. The 'College List' link when clicked will show all the Law Colleges and their three-letter codes (Eg:-TVL-for Government Law College, Thiruvananthapuram, EKL-for Government Law College, Ernakulam, etc.). A candidate may examine this list further to see the number of seats for each category in these colleges by clicking on the College Code. An overall idea of the Colleges and their Codes will help the candidate to register his/her options without any difficulty.

(iv) How to register options in his/her Home Page: By entering the option number for a college, the candidate can fix his/her preference numbers for the colleges displayed in the Home Page. Here all the eligible options of the candidate will be displayed and the candidate is expected to enter his/her preference number for a particular college.

(v) Registering of the Options and saving/revising the Options registered: All eligible options of the candidate will be displayed on the Home Page. The candidate may follow the directions given therein to register the options. The data entered may be saved regularly by clicking the 'Save' button, so that the data already entered is not lost due to unexpected reasons. The candidate should enter only those options in which he/she is interested. Candidates should also note that he/she will be considered for allotment only to those colleges opted by him/her. So, a candidate who has not opted for a college will not be considered for allotment to that college. Existing options, registered by the candidate and available in the Home Page, can be cancelled by entering the number '0' against that particular option to be cancelled and by clicking the 'Update' button. All options registered by the candidate will be processed. If a candidate gets allotted to a particular seat, based on his/her option, he/she is bound to accept it, failing which, he/she will lose that allotment as well as his/her claims for any seat in any college. Such candidates will not be eligible for any further allotment in any college.

(vi) Option Work Sheet facility: If a candidate experiences any difficulty in entering the data directly, he/she may first take a printout of the work sheet showing all the options he/she is eligible for, by clicking on the 'OPTION WORKSHEET' or 'DETAILED OPTION WORKSHEET' link on the page. The desired entries may be made on this work sheet and the same may be used for registering the options in the website. The preference numbers may be fixed using this work sheet and the data may be entered in the system subsequently. A candidate has the facility to modify or rearrange his/her earlier options before the last date and time fixed.

(vii) Viewing and Printing of the Option List based on the options registered: Once the candidate completes the option entry, he/she can view his/her options by clicking on the link

provided. An option list will be generated and the candidate can take a printout of the same and keep it for future reference. If the candidate wants to change his/her options already registered, he/she may revise the options as desired and ensure that the option list has come as per his/her preference.

(viii) Logging off from the Home page: Once the candidate is satisfied with the options registered, he/she should 'Log off' the system by clicking on "logout" link. The process of 'Registration of Options' is complete when the candidate logs off. This action is compulsory for preventing the misuse of his/her Home Page by others.

(ix) Rearranging option priority: A candidate may change his/her option priority any number of times within the time schedule permitted. The priority of options registered at the time of closing of the facility for registering options alone will be considered for processing.

**Note: As different Universities are offering different subjects/papers for the LL.M Courses, the candidate should ascertain from the colleges regarding the courses and subjects offered by the respective colleges before submitting options.**

**16.2 Processing of Options and Allotment:** After the period earmarked for registering options, they will be processed and the allotment for all colleges will be published on the website, "www.cee.kerala.gov.in", on the date notified by the CEE. The allotment memo, the printout of which can be taken from the website, will show the college to which the candidate is allotted and the fee to be remitted. The schedule of allotment will be notified separately.

**16.3 Remittance of Fee:** The prescribed fee for the Course will have to be remitted by the candidate at the college allotted to him/her, while taking admission.

**16.4 Admission to the Course:** Candidates allotted to a college should take admission in that college as per the schedule prescribed by the CEE after remitting the required fees. Candidates who do not take admission will lose their allotment as well as their further claims in the Centralised Allotment Process (CAP).

Candidates who are having valid options and who are willing to participate in the second allotment/subsequent allotment (as notified) have to log in to his/her Home page and confirm their options by clicking the '**Confirm**' button available in his/her Home page. Candidates can delete their unwanted options or alter the priority of existing options only after the online option confirmation. A candidate who does not confirm the higher order options by clicking the 'Confirm' button available in his/her Home page, his/her higher order options included in that phase will not be available in subsequent phases also.

- (i) After each allotment, the options below the 'allotted one' of the candidate will automatically be removed from the option list of the candidate. For example, if a candidate had registered 4 options in all, and if he/she is allotted his/her 3<sup>rd</sup> option, option 4 will be removed from the option list. Since the 3<sup>rd</sup> option is the allotted one, it will not be seen in the option list. Options 1 and 2 only will remain valid and will be considered for future allotments.

- (ii) If a candidate is satisfied with an allotment and does not want to be considered against his remaining options, he/she will have the facility to cancel all the remaining options or specific options among the remaining options as per his/her desire. The candidate will also have the facility to alter the priority of the remaining options. But the candidate will not be permitted to register any fresh option to the existing ones.
- (iii) The facility for cancellation/deletion/alteration will be available as notified by the CEE, after which the facility will be withdrawn. A candidate retaining all or any of the options after each allotment is bound to accept the next allotment, if any, given to him/her. If the candidate fails to accept the allotment, he/she will lose all the allotments/admission and will not be considered for any further allotments in the Centralised Allotment Process (CAP).
- (iv) **Forfeiture of the claims in CAP: The claims in Centralised Allotment Process conducted by the CEE will be cancelled under the following reasons.**

While a reserved category candidate entitled to admission on the basis of his merit will have the option of taking admission to the colleges where a specified number of seats have been kept reserved for reserved category, when computing the percentage of reservation he will be deemed to have been admitted as an open category candidate and not as a reserved category candidate”.
