MESSAGE

The Jammu and Kashmir Board of Professional Entrance Examinations (BOPEE), has been constituted under the Jammu and Kashmir Board of Professional Entrance Examinations Act, 2002, primarily for conduct of Entrance Tests and making selection of candidates for admission to various undergraduate and postgraduate professional courses in the State.

The Act accords functional autonomy to the Board in the conduct of Entrance Test(s) and making of selection of candidates for various professional courses to ensure that it remains free from any external interference or extraneous consideration(s) in discharge of its statutory functions. Subject to the constitutional provisions and guarantees, the Board will be discharging its statutory obligation in a fair and transparent manner strictly in conformity with the said Act, the Jammu & Kashmir Board of Professional Examinations Rules, 2014, MCI & DCI Regulations. Accordingly, merit alone will prevail in the matter of selections/admissions.

The fast emerging new technologies have impacted all fields of human activity. The Board can thus bring about more efficiency, transparency and speed in organising Entrance Tests and in carrying out subsequent admission processes by adopting new technologies and making their optimum use. It is in tune with this commitment that the Board has decided to extend the facility of video-counselling to the candidates for admission to various professional courses during the year-2016. They will have video-counselling which will save a lot of their precious time, apart from distance and expenditure. The entire process of submission of application forms has been made on-line since 2015. Further, the stakeholders will get timely and adequate information on the Board's website.

The stakeholders, particularly the candidates, can easily access information they need concerning Entrance Tests on internet at the time and place convenient to them. Over the years, the website has facilitated and increased the interaction between the functionaries of the Board, the candidates and other stakeholders at large. More importantly, website of the Board has made its functioning and activities more transparent and open to public scrutiny. It is our endeavour to constantly review functioning of the Board and bring further reforms / improvements therein on a regular basis. The Board has decided to pass on the benefits of technology and other reforms / improvements made in recent past to the candidates by slashing the fees of candidates for admission to various professional course during the current year-2016. The candidates are advised in their own interest to strictly adhere to the instructions in the notifications of BOPEE and follow the time-lines set-therein for different processes.

We shall feel obliged for suggestions and comments from candidates, parents and members of the general public in respect of format and content of the website for widening its scope and reach in days to come as also in the matter of discharge of its statutory functions/obligations by the Board to the satisfaction of all interested persons, particularly the candidates. Constructive suggestions are most welcome but please don't fiddle with the system. It is in the interest of all to strengthen the system and any step or suggestion in this behalf will be highly appreciated.

Hope to interact with you at the time of counselling.

MESSAGE

The Common Entrance Test (CET) meant to select students for Medical and Engineering courses for different Colleges of our State takes hard toil from the aspirants together with their parents of which BOPEE officials are quite conscious. The merit secured by the candidates by burning midnight oil can in no case be tinkered with and will be respected at all cost.

The aspirants are advised to concentrate exclusively on their studies and not to lend ear to rumour mongers and in case of any complaint or clarification, they are advised to approach directly to the Secretary of the BOPEE who will be more than glad to respond.

The candidates are required to fill up their Application Forms strictly according to the Guidelines given in the Brochure. They are advised not to take counselling in this regard from any official of the BOPEE nor has the BOPEE authorised any of its official to guide applicants while filling the Application Form. Any mistake committed by an applicant, while filling the Application Form, may prove very costly and may even deprive him/her a berth which he/she may otherwise get. The candidates are advised to fill up their Application Form in presence of their parents / guardians and the BOPEE will not be responsible for any mistake committed by them under any circumstances what so ever. Nor can the plea of the candidate that he/ she was misguided by the official of the BOPEE will be accepted and this holds true for counselling also which is conducted after declaration of the result.

The conduct of various tests by the BOPEE is a Herculean task which cannot be accomplished without the cooperation of the students and their parents. It has been observed over the period of time that the students some time submit incorrect information or do not furnish some important information and then at a belated stage roam around BOPEE offices in an attempt to provide this information on one pretext or the other. Even some such students resort to litigation as well which derails whole process of admission and results in inordinate delay. Thus, they waste their precious time and money for rectifying a mistake which they could have so easily avoided. The BOPEE values time, money and career of the students which should not be wasted by being carefree at the time of filing of Application Form. They should get the habit of doing things meticulously and should stand upright where they commit a mistake even though inadvertently.

The BOPEE has taken solemn pledge that all the admissions to be recommended by it on the basis of the tests conducted from time to time will be solely based on merit calculated scrupulously in a transparent manner and the aspirants should rest assured that their merit is in the safe hands. The BOPEE officials are trustees of the merit of the candidates which under no circumstances can be bartered away.

Each OMR Answer Sheet has candidate's carbonless copy along with it. The candidates are advised to separate the candidate's copy (carbonless) as per procedure given in the Answer Sheet and take it along after the completion of paper. They are advised to preserve carbonless copy till the counselling for the admission is over. The correct response is (2). Locate the question number in the OMR Answer Sheet and darken the circle under column (2) as shown below:

A

B

10	①	②	③	④
11	①	●	③	④
12	①	②	③	④
13	①	②	③	④

27	○	●	○	●
28	○	○	●	○
29	○	✓	○	○
30	○	○	×	○
31	●	○	○	○

Correct way of answering Incorrect way of answering

Ensure that the circle is completely darkened. Incomplete or faintly darkened circle will be rejected by the Optical Scanner and consequently no marks will be awarded for the same. On the contrary, negative marks will be awarded in such a case.

If more than one circle is darkened completely or faintly or any stray or marks is put in or around an oval or if the response is marked in any other manner as shown at "B" it shall be treated as a wrong answer. Even where a candidate finds two options correct, he/she should darken only one circle and shading of both the options will make answer incorrect

- j. In case the candidate does not follow the instructions given on the Answer Sheet, his/her Answer Sheet is likely to be rejected whenever detected.
- k. The information given in the form of numbers or alphabets in the OMR Answer Sheet must correspond with the information given in its Ovals as the machine reads Ovals and not the numbers or alphabets and in case of any variation, the information given in Ovals shall be treated as final. It is, therefore, in the interest of the applicant to check the OMR Sheet meticulously before leaving the examination hall to ensure that there is no discrepancy and in case of any doubt, the assistance of the invigilating staff may be sought.

In the event of non-availability of eligible candidates from that reserved category, the relevant vacancies shall go to the open merit category.
- d. In case two or more candidates obtain equal merit, the inter-se-merit of such candidates shall be determined as under:
 - i. MBBS / BDS / BAMS / BUMS / Physiotherapy / allied courses.
 1. Candidates obtaining higher marks in Biology in CET.

- g. The representations should be supported by the documentary proof, based on standard text books and accompanied with the payment receipt of Rs. 1000/- per representation per paper paid by him or her at the POS terminal at J&K BOPEE office Sgr./Jammu. The material downloaded from the Internet will not be accepted as it is uploaded without any editorial review.
- h. No representation after the stipulated date shall be accepted because that will delay declaration of result and completion of admission process which has to be concluded within the prescribed time laid down by the Hon'ble Supreme Court and other regulatory bodies. The candidates interested in making representation should not wait for separate notification for this purpose and this information shall be deemed as notice to all the concerned candidates. The candidates must obtain a proper receipt in which number of questions represented against, the name of the paper/subject and series will be prominently mentioned. No claim of the candidates will be entertained on this count if he/she is not having receipt of the BOPEE with signature and seal.
- i. The representations shall be consolidated by the BOPEE and will be examined by subject experts whose opinion will be final.
- j. The revised key will be uploaded on the website for general information but no representation will be entertained against revised key so that whole admission process is completed within

the prescribed time schedule and does not protract endlessly. The revised key will be applied for evaluation of all the Answer Sheets including Answer Sheets of those candidates who have not made any representation.

- k. The evaluation of the Answer Sheets is done mechanically so there is no chance of any mistake. The result declared by the machine shall be final and not open to any manual check. It has been noticed that some candidates make faint marks or ambiguous impressions or incomplete marks on the OMR Sheets which are scanned by the machine and the decision of the machine will be final and not subject to any manual check. It is, therefore, in the interest of the candidates to fill up OMR Sheet carefully as shown in this E- Brochure. The re-evaluation of the Answer Sheets manually, therefore, or otherwise, is not allowed as that will impinge upon the rule of equality which calls for uniform treatment given to all the candidates. However, where two answers to a question are correct, the candidates attempting any one of the questions will be awarded marks”

12. DECLARATION OF RESULT

The declaration of credible result free from errors is possible only when the persons involved with processing and evaluation of the OMR Sheets get minimum required time. The candidates are advised to remain patient and every effort will be made to declare the result at the earliest but only after the representations are thoroughly examined by the subject experts.

13. COUNSELLING FOR ALLOTMENT OF DISCIPLINE/INSTITUTION

The candidates, at times, take counselling very lightly and do not join the allotted streams / Institutions of their choice exercised by them during counselling which leads to repeated rounds of counselling, thus delaying the admission process abnormally. Hence, they are advised to participate in counselling process seriously.

- i. Counselling is an extremely important component in the process of selection which affords the candidates an opportunity of indicating their choices/ preferences about allotment of disciplines/institutions. The candidates should make a realistic assessment of the streams which they are likely to get and should exercise options accordingly during counselling on the option form given in [Annexure-VI](#). The candidates must come for counselling along with all documents in original, admit card and a payment receipt of Rs. 500/- paid at the POS terminal at BOPEE office Sgr./Jammu. The fees can also be paid through swap machine available at BOPEE office, Srinagar/Jammu. However, in exceptional cases, where the BOPEE is satisfied

on the basis of documentary proof that the applicant is an orphan or is living in an abject poverty, the fee charged may be refunded if he/she fails to take admission due to some unavoidable reasons beyond his/her control.

- ii. Where a candidate decides in the counselling hall to withdraw his/her counselling form, he /she is entitled to refund of full amount of rupees 500 but not the late fee which he/she may have paid due to missed admission or missed counselling. - iii. The candidates should indicate clearly multiple choices of disciplines / institutions in the counselling form which they want to join in order of preference. For example, if a candidate indicates his options in the following manner:
 - a) MBBS-GMC Jammu
 - b) BDS ,GDC Jammu
 - c) MBBS- GMC Srinagar
 - d) MBBS- SKIMS, Srinagar
 - e) BDS, GDC Srinagar
 - f) MBBS-ASCOMS, Jammu

Such a candidate will be first considered for allotment of MBBS - GMC-Jammu. If on merit, the candidate does not qualify for allotment of such a seat, or no seat is available at his or her turn he/she can then be considered for allotment of BDS at GDC-Jammu, then for MBBS in GMC, Srinagar, then MBBS- SKIMS, Srinagar ,then BDS in GDC Srinagar, and finally for MBBS in ASCOMS. If a candidate is interested in private MBBS as against BDS in Govt. Dental College, he/ she must indicate choice of private MBBS ahead of Govt. BDS

- iv. The selection will be recommended strictly on the basis of merit of eligible candidates determined by the rank obtained in the entrance examination. Allotment of streams / institutions shall be made through counselling. The candidates will be called for counselling one after the other in order of rank for allotment of discipline / institution. Rank wise counselling schedule will be published in two leading English newspapers of the State. It will be also available on the official website of BOPEE.However, this process is subject to the change which the BOPEE may deem proper.
- v. No separate intimation will be sent to individual candidates for appearing in counselling sessions.
- vi. The candidates have to appear personally for counselling. Formats of an undertaking and authority letter are given in [Annexure-V](#).
- vii. Where a candidate or his/her representative fails to appear for counselling on the specified date but intends to appear on the next date or any date during subsequent notified counselling schedule, he/she will be allowed to participate in such counselling after furnishing satisfactory justification in writing for such a failure along with payment receipt of Rs. 500/- from POS terminal from BOPEE Srinagar/ Jammu and he/she will be considered for the allotment of course/stream/institution available at that point of time on merit. Such

- candidate shall be required to furnish an undertaking to the effect that he/she voluntarily accepts the available stream/ institution at the time of his/her turn of counselling.
- viii. Where a candidate fails to complete admission formalities within the stipulated time but intends to appear on any date during subsequent notified date of counselling, he/she will be allowed to participate in such counselling after furnishing satisfactory justification in writing for such a failure along with payment receipt of Rs. 500/- from POS terminal at BOPEE Srinagar/ Jammu and he/she will be considered for the allotment of course/stream/institution available at that point of time on merit. Such candidate shall be required to furnish an undertaking to the effect that they voluntarily accept the available stream/ institution at the time of his/her turn of counselling.
- ix. Where a candidate has been kept in the waiting list but his/her seat is not confirmed, he/she is entitled to refund of counselling fee.
- x. Where a candidate or his authorized representative fails to appear for counselling at the time of his/her turn of counselling, his/her seat shall be allotted to the next candidate in order of merit and if the candidate, who has missed the counselling, appears afterwards in the counselling on the same or some other day, he/ she shall be allotted the seat available at that time. **The candidates are advised , in their own interest, not to miss counselling, lest they may lose the seat of their choice which they have earn by their sheer hard labour.**
- xi. Candidates shall have to join the course after allotment of streams/ institutions within the specified time period. Where a candidate does not join the course within the period so prescribed, his/her seat shall automatically stand cancelled and the same shall be filled up as a vacant seat.
- xii. The short fall, if any, of the seats received by the BOPEE from different colleges after first round of counselling shall be filled up in another round of counselling as per the merit and availability of seat.
- xiii. Where a candidate is allotted a seat in the upgradation counselling, his/ her left over seat will be allotted to another candidate in order of merit.
- xiv. Where a candidate fails to join the course/ Institution allotted to him/her in second round of counselling, the seat allotted to him/her in the previous round of counselling will get automatically cancelled. He /she shall have no claim on the seat. However, he/she is eligible to appear in counselling held subsequently.
- xv. The residual seats, which will become available after second round of counselling, will be allotted in the third round and so on.
- xvi. Where the number of the candidates, who turn for counselling, is more than the seats available, then a waiting list will be prepared. The waiting list will operate after receiving a list of vacant seats from the respective Colleges.
- xvii. The candidates may be kept in the waiting list and the number of the candidates to be kept in the waiting list will be decided by the BOPEE on spot. This whole process is subject to the changes as the BOPEE deems proper.
- xviii. The number of the candidates to be called for counselling will be decided by the BOPEE keeping in view the response of the candidates to a particular course.
- xix. The decision of the BOPEE concerning allotment of streams and institutions shall be final. Choices of streams / institutions once exercised shall not be allowed to be changed subsequently.

- xx. Subject to any change by the Regulatory authorities or BOPEE, the admission to
- a) MBBS / BDS courses shall be completed by 30th September 2016, and

- xxi. Where a candidate does not get a seat of his/her choice at his/her turn of counselling, he/she shall be placed in the waiting list if he/she so indicates in the counselling form. The waiting list will operate immediately after the expiry of the last date mentioned in the selection list and after receiving short fall from the Colleges. The candidates in the waiting list shall have to report in the concerned College. Their reporting time is 10 am to 2 pm and there after the College authorities shall operate the waiting list strictly according to the merit. If the candidate with higher merit fails to report within the stipulated time, he/she shall forfeit his/her right of admission. However, this process is subject to change as the BOPEE deems proper.
- xxii. It is quite possible that a candidate may not find seat of his/her choice available at the time of his /her turn in second round of counselling but a seat may become vacant subsequently. It is, therefore, in the interest of the candidates to remain available outside counselling room and keep watching monitor on which seat matrix is constantly updated. As and when seat of the choice of such candidate becomes available he/ she should immediately report in the counselling hall. The interested candidates are also advised to visit website of BOPEE every evening or next day in the morning (during counselling days) where latest seat matrix is displayed. This holds true for already counseled students who may find seat of their choice available and may get that because of their higher merit for which they shall have to report early in the next morning at 10 am so that such candidates can be considered in order of merit before the counselling starts for fresh candidates.

NOTE-1:-

Every effort will be made to ensure that the candidate with higher merit gets seat of his/ her choice if available. However, this is possible only when every candidate reports in time and follows instructions scrupulously, failing which the candidate who reports in time but is with lower merit may get seat more in demand than the candidate with higher merit who does not report in time for which BOPEE will not be in any way responsible.

NOTE-2:-

Such a step will reduce the freshers' dependence on their seniors.

Every institution should engage or seek the assistance of professional counselors at the time of admissions to counsel 'freshers' in order to prepare them for the life ahead, particularly for adjusting to the life in hostels.

6.2.2 The Medical College/Institution/University through the leaflet mentioned above shall explain to the new entrants the arrangements for their induction and orientation which promote efficient and effective means of integrating them fully as students.

6.2.4 The leaflet mentioned above shall contain a calendar of events and activities laid down by the institution to facilitate and complement familiarization of freshers with the academic environment of the institution.

6.2.5 The Medical College/Institution/University shall also organize joint sensitization programmes of 'freshers' and seniors.

On the arrival of senior students after the first week or after the second week as the case may be, further orientation programmes must be scheduled as follows (i) joint sensitization programme and counseling of both 'freshers' and senior by a Professional counselor; (ii) joint orientation programme of 'freshers' and seniors to be addressed by the principal/Head of the institution, and the anti-ragging committee ; (iii) organization on a large scale of cultural, sports and other activities to provide a platform for the 'freshers' and seniors to interact in the presence of faculty members ; (iv) in the hostel, the warden should address all students; may request two junior colleagues from the college faculty to assist the warden by becoming resident tutors for a temporary duration.

6.3. At the end of the academic year:-

6.3.1 At the end of every academic year the Dean/Principal/Director shall send a letter to the parents/guardians of the students who are completing the first year informing them about the law regarding ragging and the punishments, and appealing to them to impress upon their wards to desist from indulging in ragging when they come back at the beginning of the next academic session.

6.3.2 At the end of every academic year the Medical College/Institution /University shall form a 'Mentoring Cell' consisting of Mentors for the succeeding academic year. There shall be as many levels or tiers of Mentors as the number of batches in the institution, at the rate of 1 Mentor for 6 freshers and 1 Mentor of a higher level for 6 Mentors of the lower level.

Each batch of freshers should be divided into small groups and each such group shall be assigned to a member of the staff. Such staff member should interact individually with, each member of the group on a daily basis for ascertaining the problems/difficulties if any faced by the fresher in the institution and extending necessary help.

In the case of freshers admitted to a hostel it shall be the responsibility of the teacher in charge of the group to coordinate with the warden of the hostel and to make surprise visits to the rooms in the hostel where the members of the group are lodged.

6.4. Setting up of Committees and their functions:-

6.4.1 The Anti-Ragging Committee:- Every institution shall have an Anti-Ragging Committee and an Anti -Ragging Squad. The Anti-Ragging Committee shall be headed by the Head of the institution and shall consist of representatives of civil and police administration, local media, Non Government Organizations involved in youth activities, faculty members, parents, students belonging to the freshers' category as well as seniors and non-teaching staff. It shall monitor the Anti Ragging activities in the institution, consider the recommendations of the Anti-Ragging Squad and take appropriate decisions, including spelling out suitable punishments to those found guilty.

6.4.2 The Anti-Ragging Squad:- The Anti-Ragging Squad shall be nominated by the Head of the institution with such representation as considered necessary and shall exclusively consist of members belonging to the various sections of the campus community. The Squad shall have vigil, oversight and patrolling functions. It shall be kept mobile, alert and active at all times and shall be empowered to inspect places of potential ragging and make surprise raids on hostels and other hot spots. The Squad shall investigate incidents of ragging and make recommendations to the Anti-Ragging Committee and shall work under the overall guidance of the Anti-Ragging Committee.

All matters of discipline within teaching institutions must be resolved within the campus except those impinging on law and order or breach of peace or public tranquility, all of which should be dealt with under the penal laws of the land

University Monitoring Cell At the level of the University, we recommend that there should be a Monitoring Cell on Ragging, which should coordinate with the affiliated colleges and institutions under its domain. The Cell should call for reports from the Heads of institutions in regard to the activities of the Anti-Ragging Committee, Anti - Ragging Squads, Monitoring Cells at the level of the

institution, the compliance with instructions on conducting orientation programmes, counseling sessions, the incidents of ragging, the problems faced by wardens or other officials. It should also keep itself abreast of the decisions of the District level Anti – Ragging Committee. This Monitoring Cell should also review the efforts made by institutions to publicize anti - ragging measures, soliciting of undertakings from parents and students each year to abstain from ragging activities or willingness to be penalized for violations; and should function as the prime mover for initiating action on the part of the appropriate authorities of the university for amending the Statutes or Ordinances or Bye -laws to facilitate the implementation of anti-ragging measures at the level of the institution.

6.5. Other measures:-

6.5.1 The Annexures mentioned in 6.1.4, 6.1.5 and 6.1.7 of these Regulations shall be furnished at the beginning of each academic year by every student, that is, by freshers as well as seniors.

6.5.2 The Medical College/Institution /University shall arrange for regular and periodic psychological counseling and orientation for students (for freshers separately, as well as jointly with seniors) by professional counselors during the first three months of the new academic year. This shall be done at the institution and department/ course levels. Parents and teachers shall also be involved in such sessions.

6.5.3 Full-time warden shall be appointed as per the eligibility criteria laid down for the post reflecting both the command and control aspects of maintaining discipline, as well as the softer skills of counseling and communicating with the youth outside the class-room situations. Wardens shall be accessible at all hours and shall be provided with mobile phones and the details of their telephone number must be widely publicized. Similarly, the telephone numbers of the other important functionaries - Heads of institutions, faculty members, members of the anti-ragging committees, district and sub-divisional authorities and state authorities where relevant, should also be widely disseminated for the needy to get in touch or seek help in emergencies. The institution shall review and suitably enhance the powers and perquisites of Wardens and authorities involved in curbing the menace of ragging.

Further the institutions shall provide necessary incentives for the post of full-time warden, so as to attract suitable candidates.

6.5.4 Freshers shall be lodged in a separate hostel block, wherever possible, and where such facilities are not available, the college/institution shall ensure that seniors' access to freshers' accommodation is strictly monitored by wardens, security guards and college staff.

As ragging takes place mostly in the hostels after the classes are over in the college, a round the clock vigil against ragging in the hostel premises shall be provided. It is seen, that college canteens and hostel messes are also places where ragging often takes place. The employers/employees of the canteens/mess shall be given necessary instructions to keep strict vigil and to report the incidents of ragging to the college authorities if any.

The security personnel posted in hostels shall be under the direct control of the Wardens and

assessed by them.

6.5.5 Private commercially managed lodges and hostels shall be registered with the local police authorities, and this shall be done necessarily on the recommendation of the Head of the institution. Local police, local administration and the institutional authorities shall ensure vigil on incidents that may come within the definition of ragging and shall be responsible for action in the event of ragging in such premises, just as they would be for incidents within the campus. Managements of such private hostels shall be responsible for action in the event of ragging in such premises, just as they would be for incidents within campuses.

6.5.6 Besides registering private hostels as stated above, the towns or cities where educational institutions are located should be apportioned as sectors among faculty members, as is being done by some institutions, so that they could maintain vigil and report any incidents of ragging outside campuses and en route while 'freshers' commute.

6.5.7 The Head of the institution shall take immediate action on receipt of the recommendations of the Ant-Ragging Squad. He/ She shall also take action suo motu if the circumstances so warrant.

6.5.8 Freshers who do not report the incidents of ragging either as victims or as witnesses shall also be punished suitably.

6.5.9 Anonymous random surveys shall be conducted across the 1st year batch of students (freshers) every fortnight during the first three months of the academic year to verify and cross-check whether the campus is indeed free of ragging or not. The institution may design its own methodology of conducting such surveys.

6.5.10 The burden of proof shall lie on the perpetrator of ragging and not on the victim.

6.5.11 The institution shall file an FIR with the police / local authorities whenever a case of ragging is reported, but continue with its own enquiry and other measures without waiting for action on the part of the police/ local authorities. Remedial action shall be initiated and completed within the one week of the incident itself.

6.5.12 The Migration/Transfer Certificate issued to the student by the Medical College/Institution /University shall have an entry, apart from those relating to general conduct and behaviour, whether the student has been punished for the offence of committing or abetting ragging, or not, as also whether the student has displayed persistent violent or aggressive behaviour or any inclination to harm others.

6.5.13 Preventing or acting against ragging shall be the collective responsibility of all levels and sections of authorities or functionaries in the Medical College/Institution /University, including faculty, and not merely that of the specific body/ committee constituted for prevention of ragging.

6.5.14 As such the college canteens and hostel messes are also places where ragging often takes place, hence the employers/employees of the canteens/mess shall be given necessary instructions to keep strict vigil and to report the incidents of ragging to the college authorities, if any.

Further access to mobile phones and public phones shall be unrestricted in hostels and campuses,

except in class-rooms, seminar halls, library etc. where jammers shall be installed to restrict the use of mobile phones.

6.6 Measures for encouraging healthy interaction between freshers and seniors:-

6.6.1 The Medical College/Institution /University shall set up appropriate committees including the course-in-charge, student advisor, Warden and some senior students to actively monitor, promote and regulate healthy interaction between the freshers and senior students.

6.6.2 Freshers' welcome parties shall be organized in each department by the senior students and the faculty together soon after admissions, preferably within the first two weeks of the beginning of the academic session, for proper introduction to one another and where the talents of the freshers are brought out properly in the presence of the faculty, thus helping them to shed their inferiority complex, if any, and remove their inhibitions.

6.6.3 The Medical College/Institution /University shall enhance the student-faculty interaction by involving the students in all matters of the institution, except those relating to the actual processes of evaluation and of faculty appointments, so that the students shall feel that they are responsible partners in managing the affairs of the institution and consequently the credit due to the institution for good work/ performance is due to them as well.

7. Regulatory Measures

The inspecting/visiting committees of MCI shall cross verify that the medical college/institution has strictly complied with the anti ragging measures and has a blemishless record in terms of there being no incident of ragging during the impending period (i.e. from earlier inspection) or otherwise.

8. Awardable Punishments.

8.1 At the Medical College/Institution level:

8.2 Penal consequences for the heads of the institutions/administration of the institution who do not take timely steps in the prevention of ragging and punishing those who rag.

The authorities of the institution particularly the Head of the institution, shall be responsible to ensure that no incident of ragging takes place in the institution. In case any incident of ragging takes place, the Head shall take prompt and appropriate action against the person (s) whose dereliction of duty lead to the incident. The authority designated to appoint the Head shall, in its turn, take prompt and appropriate action against the Head.

In addition to penal consequences, departmental enquiries be initiated against such heads institutions / members of the administration / faculty members / non-teaching staff, who display an apathetic or insensitive attitude towards complaints of ragging.

8.3 At the MCI level
