Dear Students and Parents,

Welcome to Association of Combined Entrance examination (ACEE).

Choosing an institute is one of the most important decisions that you will ever make for your career. It can be the key that opens the door to a lifetime of opportunities for growth and service. We want you to base your choice on relevant and reliable information, how well it turns

out for you will depend primarily on the effort you invest in your own intellectual and professional development. Invest wisely and be assured that faculty and staff pledge their best efforts in helping you to attain your educational goals.

As you pursue your studies, please remember that a college education is not entirely academic. It extends beyond the classrooms, laboratories and workshops to campus organizations, seminars and meetings, cultural and social activities and athletic events. I hope that you will become involved in the college campus life and that you will also make some commitment to serve your community. Besides being a cause for campus and community development, the effort can be educationally rewarding and personally fulfilling.

Finally, I hope that you will take pride in your choice of college as the members of faculty in these institutions are known for their vast experience, academic achievements and teaching abilities.

Wish you great success!

Dr. A.K. Kamboj
President, ACEE
Chairman, Uttaranchal Ayurvedic College,
