A University Committed to Excellence

About GITAM University

GITAM University, established u/s 3 of the UGC Act, 1956, is one of India's premier universities having 35 years of track record in teaching and research of global standards. The University is located in three picturesque campuses at Visakhapatnam, Hyderabad and Bengaluru. With a multidisciplinary approach, the University offers 123 programs at UG, PG and Doctoral levels in diverse disciplines in Technology, Architecture, Pharmacy, Science, Medicine, Management, International Business, Law and Humanities. The University has turned into one of the biggest Universities in India with 1100 committed faculty members, 1200 research scholars, over 17,000 regular students and more than 30,000 distance learners.

Recognizing the holistic education the University is imparting, the Ministry of Human Resource Development(MHRD), Govt. of India ranked GITAM as 'A' category University among the universities of its kind. The university is accredited by the National Assessment and Accreditation Council (NAAC) with 'A' Grade. GITAM is one of the chosen universities that has been accorded 12 (B) status by the University Grants Commission (UGC) facilitating high impact research by the faculty and students. All these accreditations stand as testimony for the best quality education being imparted by the University.

The University has state-of-the-art infrastructure and well-equipped laboratories together with excellent student support facilities such as modern library, playgrounds, hostels, 1.5 Gbps (1500 Mbps) internet bandwidth connectivity with Wi-Fi access, etc. GITAM campuses at Visakhapatnam, Hyderabad and Bengaluru provide a congenial environment for studies and offer first-class academic and recreation facilities. The cosmopolitan mix of students hailing from different parts of the country creates a welcome and friendly atmosphere in all the three campuses.

The University provides a dynamic and exciting experience to students in a diverse learning environment. The learner-centered teaching methodology with the most dynamic curriculum designed by academic experts prepare GITAM graduates to successfully meet academic and

corporate challenges and build bright careers in life. The degrees awarded by the University are respected and valued across the World. The Choice Based Credit System (CBCS) is introduced based on UGC guidelines in order to promote students to learn courses of their choice with interdisciplinary approach.

The stellar research laboratories in all the campuses provide excellent opportunities to the faculty and students for conducting ground-breaking research in diverse disciplines. The academia and industry look up to GITAM University for solutions to problems of the industry and society in several emerging areas.

GITAM University instituted a good number of scholarships and fellowships for meritorious UG & PG students. Teaching assistantships are given to M. Tech. students. In addition to the above, a number of scholarships are given from the endowments instituted out of donations of philanthropists. The earn-while-you-learn program of the University inculcates dignity of labour among the student community apart from providing them an opportunity to earn some income.

GITAM has a range of clubs/forums which encourage the students to gain experience and exposure to develop their total personality. The University encourages students to take up independent research by utilizing their latent talents. GITAM University Science & Activity Centre (GUSAC) provides an exclusive platform to the students to nourish their creativity and unleash their genius and inherent talents. It organizes several technical and cultural festivals to stimulate scientific temperament among students besides creating a platform for student research at all the three campuses.

The students of GITAM won recognition for their research contributions at national and international levels. Students of Mechanical engineering department designed a sand excavator and participated in international competition at NASA, USA. One of the students of CSE Department from Hyderabad campus won a bountiful cash award from Facebook towards his innovation in Facebook-Bug bounty. Several students from other departments also developed new designs and models of various equipments and registered their innovations for patents.

GITAM equips its students with sound foundational skills to give them a competitive edge in the global market. The academic experience and the cutting edge skills acquired in the chosen discipline often enable them to face the demands of a tough economic environment. A large number of our students also improve their professional skills and gain hands-on experience through a wide range of internship programs in multinational corporations across the country.

GITAM's brand reputation is very high and as such it is the first choice of the students from almost all the States in the country for pursuing quality education in technology, architecture and pharmacy because the students graduated from GITAM University are among the preferred lot by many top-notch companies both in IT and core sectors. The University is one among the top few universities that provide near 100 per cent placement opportunities. The University's commitment to respond to the needs of industry is very high. The students are provided with career guidance and placement services to enable them to find lucrative employment in renowned multinational corporations with attractive packages.

It is a matter of great pride that the alumni of the University occupy prominent positions in prestigious institutions and organizations all over the world and most of our alumni are highly successful entrepreneurs. The alumni associations of GITAM located both in India and abroad often help the students by giving guidance for higher studies and placements abroad. In addition, one of the GITAM's alumni associations (GANAM), New Jersey, USA, has been undertaking various socially relevant activities in times of natural calamities for the past several years in USA and India and won accolades for their services.

VISAKHAPATNAM CAMPUS - ANDHRA PRADESH

GITAM Institute of Technology located in the main campus at Visakhapatnam on the beach front which was established in 1980, is globally recognized as a premier institute of technology and engineering, situated in serene and sylvan surroundings. The Institute provides the state-of-the-art educational facilities on par with world-class universities. The Tata Consultancy Services (TCS) accredited the Institute at level 'A' for the quality education and excellence in innovations. The Institute of the University is selected for participating under sub component (SC) 1.2 of the prestigious Technical Education Quality Improvement Project - II (TEQIP-II) to scale up post graduate education and research in the Institute.

The Institute offers B.Tech., M.Tech., and 6 Year Dual Degree (B.Tech.+ M.Tech.) programs in various engineering disciplines. Intensive industry-academia interface enables the students to have hands-on experience which strengthens their employment potential. The Institute is endowed with highly qualified and committed faculty, state-of-the-art infrastructure facilities with modern laboratories and adequate student support services. Separate hostel facilities are available for boys and girls.

GITAM School of Architecture (GSA) is established with the main objective of providing world class education in Architecture. The School offers a five year Bachelor of Architecture (B.Arch.) program duly approved by the Council of Architecture, New Delhi. The skills and expertise imparted by the School enrich the students and help moulding them into creative, innovative and intellectually vibrant architects of the future.

GITAM Institute of Pharmacy is an elite institution with the state-of-the-art infrastructure facilities, modern laboratories and student support services coupled with dedicated and experienced faculty. The School offers B.Pharmacy and M.Pharmacy programs duly approved by the Pharmacy Council of India, New Delhi. The basic mission of providing Pharmaceutical education by the institute is to create industry friendly inputs through latest technical skills, pre and para-clinical skills apart from allied core concepts with basic and interdisciplinary knowledge, to fit into present global scenario.

HYDERABAD CAMPUS - TELANGANA STATE

GITAM School of Technology, Hyderabad campus -Telangana State, was established in 2009 in the industrial hub of Hyderabad - the Metro City. The school offers B.Tech. and M.Tech. programs in various disciplines in addition to 6 Year Dual Degree (B.Tech.+ M.Tech.) programs in ECE and Mechanical Engineering. To keep pace with advances in technology, industrial demands and societal needs, B.Tech. program in Aerospace Engineering is also being offered exclusively at Hyderabad campus. The campus is anchored by highly qualified and experienced faculty with world class infrastructure facilities such as modern class rooms, well-equipped laboratories and adequate student support services. Separate hostel facilities are available for boys and girls. All the Metropolitan city facilities are available in the lush green campus of Hyderabad.

BENGALURU CAMPUS - KARNATAKA STATE

GITAM School of Technology, Bengaluru campus, established in 2012 offers programs of international standards in technology using its excellent educational expertise in higher learning. The Bengaluru campus is located in an ideal and idyllic environment in Nagadenahalli on Highway No.: 207, close to Bengaluru International Airport and at a distance of 3.5 km from Doddaballapur Railway Station. The School offers 4 year B.Tech. programs in different disciplines and 6 Year Dual Degree (B.Tech.+ M.Tech.) programs in ECE and Mechanical Engineering. The School is committed to provide the best of technical education by imbining the latest technological skills. To make life on the Campus pleasant and comfortable, it is provided with the finest world-class infrastructure facilities and educational resources such as modern classrooms, laboratories, library, playfields and other student support services. Separate single room hostel facilities are available for boys and girls with all modern amenities. Bengaluru campus is a preferred destination for learners all over the country in Silicon city of India.

Admission to B.Tech., B.Arch. & B.Pharmacy Programs

GAT (UGTP) - 2016

1.1 The GAT(UGTP)-2016 (Online Admission Test) is conducted for admission to the following Undergraduate programs.

1.2 Courses offered:

4 Year B.Tech. Programs	Visakhapatnam	Hyderabad	Bengaluru
Electronics & Communication Engineering (ECE)	✓	✓	✓
Electronics & Instrumentation Engineering (EIE)	✓	✓	✓
Computer Science & Engineering (CSE)	✓	✓	✓
Mechanical Engineering (MEC)	✓	✓	✓
Electrical & Electronics Engineering (EEE)	✓	✓	✓
Information Technology (IT)	✓	✓	✓
Civil Engineering (CIV)	✓	✓	✓
Industrial Engineering (IE)	✓	✓	✓
Biotechnology (BIO)•	✓	--	--
Aerospace Engineering (AER)	--	✓	--
6 Year Dual Degree Programs (B.Tech.+M.Tech.)			
B.Tech. + M.Tech. (ECE)	✓	✓	✓
B.Tech. + M.Tech. (Mechanical)	✓	✓	✓
5 Year Bachelor of Architecture (B.Arch.)*	✓	--	--
4 Year B.Pharmacy•	✓	--	--

1.3. Eligibility criteria:

Pass in Intermediate or 10+2 examination with a minimum of 60% aggregate marks (50% aggregate marks for B.Arch./B.Pharm.) in Mathematics, Physics & Chemistry and First Class or equivalent grade in the qualifying examination from a recognized Central / State Board or its equivalent either in 2016 or 2015 and Rank obtained in GAT(UGTP)-2016.

Note: * Candidates seeking admission to B.Arch. program should qualify in NATA / JEE (Main).
 • Candidates with Mathematics / Biology, Physics & Chemistry subjects are eligible for B.Tech. Biotechnology (60% aggregate marks in group and First Class/equivalent grade) and B.Pharmacy.

1.4 Details of Admission Test GAT (UGTP) - 2016:

The duration of the test is 2 hours. The test consists of three sections:

Section	Subject	No. of Questions	Marks
A	Mathematics / Biology	40	120
B	Physics	30	90
C	Chemistry	30	90
	Total	100	300

All questions are objective type (multiple choice questions). Each question has four options out of which one is correct. Each correct answer will be awarded 3 marks and 1 mark will be deducted from the score for each wrong answer. The unanswered questions will receive nil marks.

1.5 Syllabus for GAT (UGTP) - 2016 can be downloaded from www.gitam.edu

Admission to M.Tech. Programs

GAT (PGT) - 2016

2.1 The GAT(PGT)-2016 (Online Admission Test) is conducted for admission to the following M.Tech. programs offered at Visakhapatnam and Hyderabad Campuses.

2.2 Courses Offered at Visakhapatnam Campus:

M.Tech. Programs (Two Years)		
Computer Science and Technology	Embedded Systems	Industrial Engineering & Management
Software Engineering	Digital Systems & Signal Processing	Structural Engg. & Natural Disaster Management
Information Technology	Electronic Instrumentation	Biotechnology
Data Sciences	Power Systems and Automation	Food Processing Technology
RF & Microwave Engineering	Machine Design	
VLSI Design	CAD/CAM	

Courses Offered at Hyderabad Campus:

M.Tech. Programs (Two Years)	
Computer Science and Technology VLSI Design	Power Systems and Automation Computer aided Design, Manufacture & Engineering

2.3 Eligibility criteria:

Pass in the Qualifying Examination from recognized university with a minimum of 50% marks or equivalent grade and score obtained in GAT (PGT) 2016. For details visit www.gitam.edu

2.4 Details of Admission Test GAT (PGT) - 2016:

The duration of the test is 2 hours. The test consists of three sections.

Section	Subject	No. of Questions	Marks
A	Quantitative Aptitude & Numerical Data Analysis	40	120
B	Reasoning & Intelligence	30	90
C	Verbal Ability	30	90
	Total	100	300

- Note:** i) All questions are objective type (multiple choice questions). Each question has four options out of which one is correct. Each correct answer will be awarded 3 marks and 1 mark will be deducted from the score for each wrong answer. The unanswered questions will receive nil marks.
- ii) GATE qualified candidates are exempted from appearing for GAT (PGT) - 2016, however they need to apply to GITAM University for admission before the last date and the candidate has to attend counselling as per the schedule.

2.5 Syllabus for GAT (PGT) - 2016 can be downloaded from www.gitam.edu

Admission to M.Pharmacy Programs

GAT (PGP) - 2016

3.1 The GAT(PGP) - 2016 (Online Admission Test) is conducted for admission to the following M.Pharmacy programs offered at Visakhapatnam Campus.

3.2 Courses Offered:

M.Pharmacy Programs (Two Years)	
Pharmaceutics	Pharmacology
Pharmaceutical Analysis & Quality Assurance	Pharmaceutical Chemistry

3.3 Eligibility criteria:

Pass in B.Pharmacy from a recognized university with a minimum of 50% marks or equivalent grade and score obtained in GAT (PGP) - 2016.

3.4 Details of Admission Test GAT (PGP) - 2016:

The duration of the test is 2 hours. The test consists of four sections.

Section	Subject	No. of Questions	Marks
A	Pharmaceutics	25	75
B	Pharmaceutical Analysis & Quality Assurance	25	75
C	Pharmacology	25	75
D	Pharmaceutical Chemistry	25	75
	Total	100	300

- Note:** i) All questions are objective type (multiple choice questions). Each question has four options out of which one is correct. Each correct answer will be awarded 3 marks and 1 mark will be deducted from the score for each wrong answer. The unanswered questions will receive nil marks.
- ii) GPAT qualified candidates are exempted from appearing for GAT (PGP) - 2016, however they need to apply to GITAM University for admission before the last date and the candidate has to attend counselling as per the schedule.

3.5 Syllabus for GAT (PGP) - 2016 can be downloaded from www.gitam.edu

General Information

4.1. GAT - 2016 (GITAM Admission Test) will be conducted **online** for admission to UG and PG programs of Technology, Architecture and Pharmacy offered at Visakhapatnam, Hyderabad and Bengaluru Campuses.

4.2. GAT- 2016 Online Tests

Programs	Test
B.Tech./ 6 Year Dual Degree (B.Tech. + M.Tech.)/ B.Arch. / B.Pharmacy	GAT (UGTP) - 2016
M.Tech.	GAT (PGT) - 2016
M.Pharmacy	GAT (PGP) - 2016

4.3. How to Apply

Candidates can apply in any one of the following methods:

- i) Apply online at **www.gitam.edu**
- ii) Applications can be obtained by post from Director-Admissions by sending a request on plain paper giving the candidate's name with complete mailing address accompanied by DD for ₹ 150/- drawn in favour of GITAM University payable at Visakhapatnam on any scheduled bank. Request for applications by post will be accepted upto 25th March, 2016.
- iii) Applications are also available throughout India in select branches of

☛ **UNION BANK OF INDIA**

☛ **INDIAN BANK**

☛ **KARUR VYSYA BANK**

}

Addresses of these branches are available on www.gitam.edu

The filled - in application along with Demand Draft for ₹ **1,000/-** (₹ **600/-** for female candidates), drawn in favor of GITAM UNIVERSITY, payable at Visakhapatnam on any scheduled bank, should reach Director-Admissions, GITAM UNIVERSITY, Gandhi Nagar Campus, Rushikonda, Visakhapatnam - 530 045, Andhra Pradesh, INDIA on or before **02nd April, 2016**.

4.4. GAT-2016 ONLINE TEST CENTRES:

The University will conduct online admission test at the following **44** test centres.

Anantapur	Guwahati	Kochi	Patna
Bellary	Hyderabad (GITAM Campus)	Kota	Pune
Bengaluru (GITAM Campus)	Hyderabad (Saifabad)	Kurnool	Raipur
Bengaluru (City)	Hyderabad (Nagole)	Lucknow	Rajahmundry
Bhopal	Hubli	Mangalore	Ranchi
Bhubaneswar	Jamshedpur	Mysore	Tadepalligudem
Bilaspur	Kadapa	Nagpur	Tirupathi
Chennai	Kakinada	Nellore	Trivendrum
Chittoor	Karimnagar	New Delhi	Vijayawada
Coimbatore	Khammam	Nizamabad	Visakhapatnam
Guntur	Kolkata	Ongole	Warangal

4.5. GENERAL INSTRUCTIONS:

- i) The final list of centres will be announced to candidates through the website **www.gitam.edu**. The University reserves the right to cancel any test centre and in such a case, candidates allotted to these centres will be accommodated in alternate test centres.
- ii) Candidates will be informed that depending on the administrative convenience, tests may be conducted for a limited number of days in some of the centres. The final list of test centres, venues and days of test will be announced only after all the applications are received and candidates will be informed of the same through the university website to enable the candidates to choose their centre, date and time for the test as per their convenience and availability of slots in any of the aforesaid centres. Candidates should indicate 3 different test centres, in order of preference, in the application for consideration by the University.

- iii) The candidate has to register his/her name at the registration counter in the test centre. The e-hall tickets of the candidates will be verified by the proctor to confirm each candidate's identity. The candidate has to produce any one of the following for personal identification: Passport / Driving License / EC voter ID card / IT PAN card / School or College photo bearing ID card / Aadhar Card. Each candidate will be given a seat with a computer. Candidate must take the allotted seat at least 15 minutes before the test commences.
- iv) Candidates will not be allowed to carry any textual material, printed or written, bits of papers or any other material except the e-hall ticket into the test hall. Candidates are also not permitted to bring calculators, slide rules, Clark tables and electronic watches with facilities of calculators, laptop or palmtop computers, personal stereo systems, walkie- talkie sets, mobile phones, paging devices or any other object/device that is likely to be of unfair assistance.
- v) No candidate will be allowed to go outside the test hall till the completion of the entire duration of the test. Once a candidate leaves the test hall, he/she will not be permitted to re-enter in to the test hall under any circumstances.
- vi) Smoking is strictly prohibited. Tea, coffee, soft drinks / snacks are not allowed into the test hall. There are no waiting facilities for family and friends at the test centre.
- vii) Candidates should maintain perfect silence. All actions of the candidate in the test hall will be closely monitored using web cam and closed circuit cameras. Any conversation or gesticulation or disturbance in the test hall shall be deemed as misbehaviour and if any candidate is found using unfair means or impersonation, his/her candidature will be cancelled and they will be liable to be debarred from taking examination either permanently or for a specified period, as decided by the University. The University reserves the right to withhold the result of such candidates.
- viii) Candidates must sign the attendance sheet in the presence of the invigilator. The candidate must obey the rules of the test centres, otherwise he / she will be automatically debarred from the test.
- ix) In rare and unlikely event of a technical failure during the test, the candidate may be required to take the test again.

4.6. About GAT - 2016

- i) Candidates should arrive at the test centre one hour before the scheduled time. There will be an on-site orientation before the test commences. If a candidate arrives after the on- site orientation begins, he/she will not be allowed to take the test. If candidates do not report on time, they are likely to miss some of the general instructions relating to the test. The test hall will be opened 30 minutes before the commencement of the test.
- ii) The candidate is expected to have basic familiarity with use of computer like use of keyboard and mouse operation. It is the responsibility of the candidate to acquire these skills before appearing for the test and the University cannot take any responsibility in this matter.
- iii) The questions are generated from a large question bank and all the candidates will get different question sets. An expert committee will ensure that the question sets are of equal standard level, content, question type, etc. In this matter, the decision of the University is final and binding on the candidate.
- iv) The candidate must ensure that the computer allotted to him/her is switched on and any problem with the computer is to be intimated to the Proctor immediately. All the questions will be in English medium only. All the questions will be of multiple choice.
- v) Each question carries 3 marks. Each correct answer will be awarded 3 marks and 1 mark will be deducted from the score for each wrong answer. The unanswered questions will receive nil marks.
- vi) On completion of the test, the computer will display the result in terms of number of total correct answers and wrong answers and the net score.
- vii) No student will be allowed to repeat the test in the same year.
- viii) The ranks secured by the candidates will be announced within 10 days from the date of completion of GAT - 2016.

4.7. Merit List for Admissions

- i) The merit position of the candidate for admission will be based on the score obtained in the GAT - 2016 subject to the rule of reservation as per UGC guidelines / norms as applicable to the University. A candidate qualified in GAT - 2016 will be eligible for admission only if he/she fulfils the requirement of minimum marks in the qualifying examination as per the eligibility criteria.
- ii) 25% of seats are reserved for meritorious students from Karnataka State for admission at Bengaluru Campus.

4.8. Direct Admission to Board Toppers

First rank holders of the central and all state board examinations - 2016, equivalent to 10+2 will be given admission to the program of their choice, without appearing for the GAT examination subject to their fulfilling the prescribed eligibility criteria mentioned above. However they have to submit an application seeking admission to B.Tech. programs in the University.

4.9. Special Provision for Female Candidates

GAT-2016 registration fee for female candidates is ₹ 600/- only. Further, the University will try its best to accommodate all female candidates at the test centre of their first preference.

4.10. Financial Assistance

The University offers financial assistance to the deserving meritorious candidates as detailed below:

- i) Merit Scholarships will be offered by way of tuition fee waiver for top 100 rankers of GAT (UGTP)- 2016.

Rank	Tuition Fee Exempted for First year
1-10	100%
11-100	50 %

The continuation of these scholarships for the subsequent years will depend upon the student's academic performance.

- ii) Merit-cum-Means Scholarships will be awarded to 5% of students in each department of the academic institutes of the University @ ₹ 2,000/- per month depending upon merit of the student and income of the parent.
- iii) Merit Scholarships will be awarded to GATE qualified students of M.Tech. under TEQUIP-II project, subject to a maximum of three students in each program @ ₹ 8,000/- per month.
- iv) Stipends / Teaching Assistantships will be offered to meritorious students of M.Tech. & M.Pharmacy depending upon the need and availability of suitable candidates, subject to a maximum of three students in each program @ ₹ 5,000/- per month.

Important Dates for GAT - 2016

Last date for receipt of filled-in Applications	: 02 nd April 2016
Online Slot Booking	: 11 th to 15 th April 2016
Download of E-Hall-Tickets	: 11 th April 2016 onwards
Online Tests at different Centres	: 19 th April to 08 th May 2016
Announcement of Test Results	: 16 th May 2016

Important points to note :

- i. *HALL TICKETS will not be sent by post.*
- ii. *The University is not responsible for delay in receipt or loss of Application.*
- iii. *In all matters in the conduct of GAT - 2016, the decision of the Vice-Chancellor will be final. All disputes pertaining to GAT - 2016 shall be subject to the jurisdiction of Visakhapatnam.*
- iv. *Every effort has been made by GITAM University to ensure the correctness of the information provided in this document. However, in case of a conflict in interpretation, the decision of the Vice-Chancellor is final and binding on those who apply for GAT - 2016.*

Unique Features

- ❖ A top class 'A' Grade University on par with the best in the country
- ❖ Highly qualified and committed faculty
- ❖ Visiting faculty from reputed industrial enterprises
- ❖ Merit cum Means Scholarships
- ❖ Group Personal Accident Insurance for all the Students
- ❖ Collaborations with foreign universities
- ❖ Wi-Fi with 1.5 Gbps (1500 Mbps) internet connectivity in all the campuses
- ❖ State-of-the-art infrastructure at all the three campuses
- ❖ Separate hostel facilities for boys and girls
- ❖ World class sports facilities in all the campuses
- ❖ Medical facilities at Multi Speciality Hospital, Food Courts & Student Recreation Centre
- ❖ Banks, ATMs and Post Offices in all the campuses
- ❖ Science activity centre (GUSAC) to enhance research aptitude among students
- ❖ Assistance to students to undertake research and obtain patent rights
- ❖ Extra Edge - Live Classes for GATE/CAT Aspirants
- ❖ Dedicated Training and Placement Directorates in all the campuses
- ❖ Near 100% placements with lucrative packages
- ❖ Alumni in prominent positions all over the world

Students developed Go-cart racing car

Achievers-Campus Placements

PLACEMENT RECORD

GITAM University attaches utmost importance to placement services. Full-fledged Training & Placement Directorates are established at all the campuses to facilitate career guidance and improve employability of the students. The Directorates organise pre-placement training by corporate professionals and arrange special coaching in personality development and communication skills.

GITAM enjoys patronage of several Multi National Corporations. GITAM's high standards are well-recognized by many MNCs and other reputed organizations in IT, Banking and other fields across the country drawing them to conduct campus interviews on a large scale. During 2014-15, over 3000 students got lucratively placed through campus interviews, which is a record among the Universities in Andhra Pradesh and Telangana states. Campus placements for the academic year 2015 -16 are in progress and expected to cross the above landmark.

GITAM is the first choice for over 200 global corporate majors for campus placements
