MESSAGE

Dear Students,

Welcome to the world of Tourism & Hospitality at Panjab University, the premier University of India. Panjab University is one of the oldest and largest universities in India. It has enviable record as Panjab University, Lahore for sixty five years prior to Indian Independence. Two Nobel Laureates from this part of the world, two Presidents of India and two Prime Ministers of India, have been associated with the Panjab University. At any time, several current and former Ministers in the Central Government can be counted amongst the alumni of the Panjab University.

I believe you might have given a careful thought about the meaning of tourism and hospitality business, which shines amongst the best performing industries in the world. A career in hospitality implies interacting with people, communicating in different languages, service to people who are away from their homes and travelling all over the world, thus combining the excitement of exploring different countries, their regions, cultures, cuisines etc. for rewarding professional opportunities.

The Panjab University has been doing its best to restructure its existing courses, start new courses, undertake research projects and initiate new policies to meet the new challenges emerging from the rapidly changing technological, socio-economic and education environment. With this in mind, our University set up the University Institute of Hotel and Tourism Management (UIHTM) from the academic session 2009-2010.

The UIHTM aims at becoming one of the premier institutes in the country offering education, training, research and consultancy in the field of

hospitality, hotel management, tourism, travel and allied sectors. Looking to the demands of the Indian and global economy, UIHTM's programmes offer specialization for learners to enable them to acquire the right skill set with ample flexibility to adapt to employer organization's needs. UIHTM through its two programmes i) Bachelor of Hotel Management and Catering Technology (BHMCT) ii) Bachelor of Tourism and Travel Management (BTM) offers a boutique educational concept, implying the acquisition of competence and personalized attention to students. Both of these courses are as per the new guidelines of University Grants Commission (UGC).

I am confident that in our University, you will find innovative dynamic teachers, who have commitment to their noble profession and who guide you to have a multi-disciplinary and holistic approach to education and ensure that you move out with strong, decisive and determined steps. What you need is a positive mindset, time management and willingness to use your capabilities for larger good of the people. At this University, our motive is to provide you people with knowledge by adopting new ways rather than the obsolete one.

Dear student, I want the Panjab University as an ideal institution. Therefore, ragging or bullying of any kind will not be allowed in class or hostel. Guilty students will be punished for this wrongful act. You should believe in goodwill to all and malice to none. I am confident enough to assure that after completing your studies from the Panjab University, each and every student will have the intellectual breadth to tackle the challenges and hurdles of life and creating salutary results.

I can assure you and your worthy parents who have reposed their confidence in us for the pursuit of higher education that Panjab University will provide full assistance in the realization of your dream career in any course of your choice.

While working out the percentage of seats in the reserved categories, if the number arrived at contains a fraction, this shall be resolved as follows:

If the fraction is 0.5 or more, it shall be rounded off to 1; if it is less than 0.5, it shall be ignored. This shall, however, not affect the total number of seats in the open category. To ensure this, if the total number of seats after making this adjustment exceeds the prescribed number fixed for the course, the necessary additional seats shall be created with the prior permission of the D.U.I./Vice-Chancellor. Such seats, if created, shall be treated as additional only for the year in question.

Illustration: In a course which has 25 seats, the distribution of seats among the various categories will be as under:

Open Category	SC	ST	BC	Sports	Defence Personnel	Physically Handicapped	Riot Victim	Freedom Fighter	Total
55.5%	15%	7.5%	5%	5%	5%	3%	2%	2%	
14	4	2	1	1	1	1	1	1	26

It will be seen that this raises the total number of seats to 26. The 26th seat will be treated as additional in that course for that year only. The additional seat, if required to be created, shall be created only for the Reserved category and not for the Open category. 4. For marking answers use **Black Ball/Gel Pen only**.
5. If you do not want to answer any question, leave all the bubbles corresponding to that question blank.

If, for example, for each correct answer to a question, 2 marks is to be awarded; for a wrong answer 1/2 mark will be deducted.

The total marks scored by the candidate will be computed as under: -

Let P - Number of correct answers.

Let Q - Number of wrong answers.

Let R - Number of unattempted questions.

Then the final score will be $2P - \frac{1}{2} Q$ calculated to the second place of decimal only. It will also be checked that $P + Q + R = \underline{\text{Total No. of questions in the Paper}}$.

SAMPLE PAPER

Component I: English Aptitude

Read the following passage and answer Question No. 1

Once, I read in Rajasthan Tourism Department's brochures that visitors to Jaipur are 'spoilt for choices'. Now, after my recent visit to Jaipur, I can say that yes, this time these brochures are right. There is so much to see in Jaipur, not only are the city's forts, palaces, gardens and temples, palaces turned into magnificent hotels, additionally each proves a rewarding experience in itself because they can keep you absorbed for long hours at a stretch. Being a tourist, I can say that Jaipur has much to offer visitors ó everything from pageants and festivals to extraordinarily clad people, a wealth of handicrafts, a royal legacy of palaces, and sightseeing. Best thing, I like in Jaipur is the Jantar Mantar: a monument which at first glance looks like a collection of mammoth, bizarre sculptures but is really a wonderful piece of art and science. My guide provided fascinating explanation to how each of the instruments at the Jantar Mantar worked.

Rajasthan's capital city, Jaipur forces one to think pink (the colour of hospitality). I love food and Rajasthan is indeed a heaven for my kind of people. The delicious Rajasthani Thali, consisting of Dal, Bati, Churma and lots of ghee all make it so good and tempting. I have one word for Rajasthani cuisine and that is 'yummy'. A noticeable mention should also be made of 'Chokhi Dhani' ó a wonderful display of Rajasthani culture for mere Rs. 300 is not a bad deal. Moreover, you are also getting food in that money, amazing, the service element involved in food was very good. Everybody there was greeting guests with 'Ram Ram Sa'.
