SRI VENKATESWARA INSTITUTE OF MEDICAL SCIENCES, TIRUPATI

I. INTRODUCTION:

Sri Venkateswara Institute of Medical Sciences (SVIMS), Tirupati, established in the year 1993, under the aegis of Tirumala Tirupati Devasthanams, as a modern super specialty hospital, was granted the status of a university in the year 1995 by an act of A.P. State legislature vide act no.12 of 1995.

The objectives of the Institute are:

- a) To create a centre of excellence for providing medical care, education and research facilities of a high order in the field of medical sciences in the existing super-specialties and such other super-specialties as may develop in future, including continuing medical education and hospital administration.
- b) To develop patterns of teaching in postgraduate level and in super specialties so as to set a high standard of medical education.
- c) To provide for training in paramedical and allied fields, particularly in relation to super-specialties.
- d) To function as a referral hospital
- e) To provide for post graduate teaching and conduct of research in the relevant disciplines of modern medicine and other allied sciences, including inter-disciplinary fields of physical and biological sciences.

The institution, spread in a 107 acre campus, is gradually growing into a prestigious university. Today, SVIMS has 36 super/broad specialty medical departments four colleges and two inter-disciplinary departments and is developing into a centre of excellence for providing medical care, education and research activities of a high standard in the field of medical and other allied sciences including inter-disciplinary fields of physical and biological sciences. In addition to these, SVIMS also provides training in para-medical and allied fields, particularly related to super-specialties.

The Institution is recognized by the University Grants Commission (UGC) under section 12 (B) of the UGC act, 1956. The Institution is a member of Association of Indian Universities.
